03/12/2018	100	TEXT ORDER - The Court has reviewed the plaintiffs' complaints and recognizes that there is substantial overlap among the complaints. During the March 13, 2018 telephone conference in this matter, the parties shall be prepared to discuss not only the pending motion for extension of time but also the possibility of a consolidated complaint. The Court anticipates that if the plaintiffs were to proceed pursuant to a consolidated complaint, then distinctions among the scope of the various proposed plaintiff classes potentially could be addressed via subclasses if the plaintiffs are successful in their class certification efforts. 10/30/2018	<a href="#">191</a>	<p>ORDER - On September 17, 2018, the judicial defendants Judge Kim Chaney, Judge Wells R. Turner, III, Circuit Clerk Lisa McSwain, Magistrate Amy Black, and Magistrate Joan White filed a joint motion to stay the preliminary injunction in this matter. (Doc. 175). The judicial defendants attached to their motion declarations from Presiding Judge Greg Nicholas, Judge Turner, and Ms. McSwain. (Docs. 175-1 to 175-3). For the reasons stated below, the Court strikes the declarations from the record. The Court will consider the new evidence that judicial defendants attempt prematurely to place in the record at the hearing on a motion for a permanent injunction. The Court will issue an order modifying its preliminary injunction order to clarify that the order applies to arrestees whose arrests are supported by a magistrates finding of probable cause for the arrest. The Court will issue a separate order concerning the defendants motions to stay. Signed by Judge Madeline Hughes Haikala on 10/30/2018. (KEK) (Entered: 10/30/2018)</p>
