CIVIL ACTION NO:

SUPPLEMENTAL DECLARATION

MARK A. THOMPSON, PhD declares, under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the following is true and correct:

1. I am submitting this supplemental declaration in support of Quinnipiac’s Motion to Lift the Court’s Injunction to update the participation numbers, now that each team has had its first date of competition.

Roster Sizes and Undergraduate Enrollment

2. In 2011-12, Quinnipiac has 321 female athletes (65.51%) and 169 male athletes (34.49%). A chart detailing how many male and female athletes participated in varsity athletics in 2011-12 is attached hereto as Exhibit A. The numbers reflected in this chart are the actual numbers of athletes who participated on each team.

3. The undergraduate population in 2011-12 was comprised of 3,735 women (62.37%) and 2,253 men (37.63%).

4. The numbers reflected in Exhibit A include athletes who participated on a team during the team's championship season, even if the athlete was not on the team on the first date of competition. These numbers do not include athletes who exhausted their NCAA eligibility or were deemed medically unable to ever play again as of their team's first date of competition, even when these athletes are still receiving athletic scholarships from Quinnipiac. These numbers also exclude two individuals whose names appeared on the first date of competition squad list for the women's golf team but who did not participate on the team.
