A date for the settlement conference will be set during the telephone call. As the Court requires parties or their representatives with settlement authority to attend the settlement conference, counsel should obtain dates of unavailability from their clients over the next 160 days and have their own calendars available to aid in the scheduling. During the telephone call, counsel should be prepared to discuss what information needs to be exchanged and anything else that needs to be accomplished prior to the settlement conference for the discussions to be productive. This telephone conference will not be rescheduled based on requests from counsel. If counsel is not available at the scheduled time, please arrange for coverage by another lawyer who will have the necessary background knowledge to participate. (Sanders, C.) (Entered: 08/25/2010)
