CONSENT DECREE

WHEREAS, student plaintiff Jane Doe and student plaintiffs K.R., D.F., B.G., D.M.-B., and E.R., by and through their next friends and parents (collectively “Student Plaintiffs”), brought two separate actions against Anoka-Hennepin School District, its School Board (together, the “District”), and several individual school administrators on or about July 21, 2011 and August 9, 2011, alleging claims of peer-on-peer harassment and discrimination on the basis of sex and sexual orientation in the District under the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution, Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681–1688 (“Title IX”), and the Minnesota Human Rights Act, Minn. Stat. § 363A.13–.14 (“MHRA”);

WHEREAS, the U. S. Department of Justice and the U.S. Department of Education, through its Office for Civil Rights, (together, the “United States”), after receiving and investigating a complaint that the District failed to adequately address peer-on-peer harassment on the basis of sex, filed a Complaint-in-Intervention in this action against the District alleging discrimination on the basis of sex in violation of the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution, Title IV of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000c –2000c-9 (“Title IV”), and Title IX;

WHEREAS, the District denies any violation of the Equal Protection Clause, Title IV, Title IX, or any other state or federal law and denies all liability for any alleged

statutory or regulatory violation, by the District or any of its employees, agents, or School Board members;

WHEREAS, the Student Plaintiffs, the Defendants, and the United States have conferred in good faith and have negotiated the terms of this Consent Decree to fully and finally settle the Title IV and Title IX claims raised by the United States and the equal protection and federal and state law claims raised by the Student Plaintiffs; and

WHEREAS, after reviewing the terms of this Consent Decree, the Court finds them to be fair, just, reasonable, and consistent with federal law, and the Student Plaintiffs, the Plaintiff-Intervenor United States, and the District agree that entry of this Consent Decree, without further litigation, is in the public interest;

ACCORDINGLY, THE COURT ORDERS, ADJUDGES, AND DECREES:

I. JURISDICTION AND VENUE

A. This Court has jurisdiction over the subject matter herein pursuant to 28 U.S.C. §§ 1331, 1343, 1345, and 2201-2202, as well as 42 U.S.C. §§ 2000c-2000c-9, 20 U.S.C. §§ 1681-1688, and 29 U.S.C. § 1367(a).

B. Venue in the District of Minnesota is proper pursuant to 28 U.S.C. § 1391(b).

II. DEFINITIONS

A. “Harassment” includes the use of derogatory language, intimidation, and threats; unwanted physical contact and/or physical violence, or the use of derogatory

language and images in graffiti, pictures or drawings, notes, e-mails, electronic postings and/or phone messages related to a person's membership in a protected class.

B. "Sex-based harassment" includes both sexual harassment and gender-based harassment.

1. "Sexual harassment" means harassment (*see supra* Section II.A. at pp. 3-4) of a sexual nature.

2. "Gender-based harassment" means non-sexual harassment of a person because of the person's sex, including harassment based upon gender identity and expression. Gender-based harassment includes, but is not limited to, harassment based on the person's nonconformity with gender stereotypes, regardless of the actual or perceived sex, gender identity, or sexual orientation of the harasser or target of the harassment.

C. "Gender stereotypes" refers to stereotypical notions of masculinity and femininity or expectations of how boys or girls should act.

D. "Sexual orientation" means having or being perceived as having an emotional, physical or sexual attachment to another person without regard to the sex of that person; or having or being perceived as having an orientation for such attachment; or having or being perceived as having a self image or identity not traditionally associated with one's biological maleness or femaleness. Minn. Stat. § 363A.03, subd.44.

E. "Sexual orientation-based harassment" means non-sexual harassment of a person because of the person's actual or perceived sexual orientation or association with

or advocacy for a person or group (e.g., family members or friends) who are lesbian, gay, bisexual or transgender (“LGBT”).

F. The primary purpose of this Consent Decree is to address sex-based and sexual orientation-based harassment. Accordingly, for purposes of this Consent Decree, the use of the term “harassment” means sex-based harassment and sexual orientation-based harassment, as defined *supra*.

G. A “hostile environment” exists when harassment is sufficiently severe, persistent, or pervasive to interfere with or limit one or more students’ abilities to participate in or benefit from the educational program.

III. BACKGROUND

A. Student Plaintiffs are six current or former students of the District who filed complaints seeking injunctive and declaratory relief, nominal, compensatory, and punitive damages, and attorneys’ fees, expenses, and costs.

B. For purposes of this Consent Decree, “United States” refers to the United States Department of Justice (“DOJ”) and the United States Department of Education, through its Office for Civil Rights (“OCR”).

1. DOJ is the federal agency responsible for pursuing enforcement proceedings in federal courts for violations, or suspected violations, of Title IV. *See* Title IV. DOJ also enforces Title IX in federal courts either by intervention or as *amicus curiae* in private lawsuits, or upon referral from OCR. *See* 20 U.S.C. § 1682; Exec. Order No. 12,250, 45 Fed. Reg. 72,995 (1980); 28 C.F.R. § 0.51 (1998).

2. OCR is the office within the Department of Education responsible for administratively enforcing Title IX, which prohibits discrimination on the basis of sex in any educational program or activity receiving federal financial assistance. *See* Title IX.

C. The District administers a system of one or more public schools and is responsible for the assignment of students to or within such system; therefore the District is subject to Title IV. The District is a recipient of federal financial assistance and is therefore also subject to Title IX and its implementing regulations, 34 C.F.R. § 106.31. The District is an educational institution and therefore subject to the MHRA.

D. Following its investigation of the complaint it received, the United States began settlement discussions with the District prior to the commencement of the Student Plaintiffs' lawsuit. After Student Plaintiffs filed their lawsuit and pursuant to the Court's request, the United States joined the settlement negotiations of the Student Plaintiffs and the District in an attempt to resolve the complaints and avoid protracted litigation. These negotiations resulted in the agreement of the parties as set forth in this Consent Decree.

IV. GENERAL REQUIREMENTS

A. The District shall take action, in accordance with the requirements of Title IV and Title IX, their implementing regulations, and OCR Guidance, to eliminate and prevent future instances of harassment in its education programs and activities. To accomplish this, the District agrees to make all necessary and appropriate revisions to its harassment policies; appropriately and immediately respond to and stop all conduct that

may constitute harassment; ensure it fully investigates reported conduct that may constitute harassment; escalate remedial efforts by instituting additional measures when students are harassed on a repeated basis; and mitigate the effects of harassment that occurs. The District shall also take proactive measures to address issues in the school climate that have arisen from or may arise from and/ or contribute to a hostile environment.

B. No later than April 9, 2012, the District shall retain the Great Lakes Equity Center, an Equity Assistance Center based at Indiana University -Purdue University Indianapolis, or another qualified third-party consultant mutually agreed upon by the District and the United States, to consult with the District to study and determine what additional measures the District needs to take to effectively address, prevent, and respond to harassment at District schools and comply with the terms of this Consent Decree. The entity or individual retained shall be called the "Equity Consultant" throughout this Consent Decree. The District will be responsible for any costs associated with the retention of the Equity Consultant. The District shall give the Equity Consultant access to any and all data, documents, or information the Consultant deems necessary to fulfill his or her duties under this Consent Decree.¹

C. This Consent Decree shall remain in force for five (5) years from the date it is entered by the Court.

¹ The Equity Consultant's access to personally identifiable information shall be in accordance with the regulations of the Federal Educational Rights and Privacy Act, 34 C.F.R. § 99.31(a)(1).

V. SPECIFIC REQUIREMENTS

A. Revisions to District Policies and Procedures

1. The District shall engage the Equity Consultant to review and recommend revisions as necessary to all of the District's policies and procedures related to the issues identified in this Consent Decree, including, but not limited to, any policy that impacts harassment, to ensure that they specifically and appropriately address harassment pursuant to the Equal Protection Clause, Title IV, Title IX, and the MHRA.

For purposes of this Consent Decree, the policies and procedures encompassed by the preceding paragraph that the Equity Consultant shall review are referred to as "relevant policies and procedures" and shall include, but not be limited to : *Bullying Prohibition Policy* (Board Policy 514.0); *Equal Educational Opportunity Policy* (Board Policy 102.0); *Harassment, Violence and Discrimination Policy* (Board Policy 413.0) ("HVD Policy"); *Harassment, Violence and Discrimination Reporting Form*; and *Language of Harassment* procedures, attached as Exhibits A, B, C, D, and E, respectively.

3. In addition to the recommendations of the Equity Consultant, revisions to the District's relevant policies and procedures shall also include:

A requirement that District personnel investigate, address, and respond appropriately to every harassment incident, in accordance with the requirements of Title IV and Title IX, their implementing regulations, and OCR Guidance, whether reported (verbally or in writing) by the harassed student, a witness, a parent, or any other individual; observed by any District employee; or brought to the District's attention by any other means;

d. Adding the contact information, including the physical address, phone number and email address, for the District's Title IX Coordinator and Equity Coordinator (*see infra* Sections V.B. and V.C. at pp. 16, 21);

e. A protocol for (i) when an incident or series of incidents of harassment of a particular student or group of students rises to a level of severity or persistence requiring District staff to notify the parent(s)/guardian(s) of the harassed student(s), ensuring that the individual notifying parents/guardians of the harassment is sensitive to any personal concerns of the student in discussing the basis/bases of the harassment with the harassed student's parent/guardian, and (ii) when an incident or series of incidents of harassment by a particular student or group of students rises to a level of severity or persistence requiring District staff to notify the parent/guardian of the harassing student(s);

ii. The District shall consider additional recommendations of the Equity Consultant, if any.

iii. The District, the Equity Consultant, and the United States will work together in good faith to resolve any disagreements. If the District and the United States are unable to resolve any disagreements in a reasonable period of time, either party may request that the Court mediate the dispute.

b. No later than May 15, 2012, the District shall submit to the United States for review and approval its proposed revisions to its relevant policies and procedures incorporating all of the Equity Consultant's recommendations, or proposing alternative revisions and explaining how the District's proposed alternative revisions are less burdensome, more feasible, or more appropriate and still address or remedy the Equity Consultant's findings and conclusions.

c. Under the terms of this Consent Decree, the United States has authority to review and approve the District's proposed revisions for compliance with Title IV and Title IX, their implementing regulations, OCR Guidance, this Consent Decree, and the underlying reasons for this Consent Decree. Such approval will not be unreasonably withheld, and the United States shall complete such review within thirty (30) calendar days of receipt of the proposed revisions. If, however, the District and the United States initially disagree regarding the proposed revisions, the District, the Equity Consultant, and the United States will work together in good faith to resolve any disagreements. If the District and the United States are unable to resolve any

disagreements in a reasonable period of time, either party may request that the Court mediate the dispute.

d. After the United States approves the proposed revised policies and procedures, the Board will review the proposed revised policies and procedures at its next scheduled meeting.

i. If the Board receives the United States' approval of the revised policies and procedures six (6) or more calendar days before its next scheduled meeting, it shall conduct a vote on whether to adopt the revisions within two (2) public meetings. If the Board receives the United States' approval of the revised policies and procedures within five (5) calendar days of its next scheduled meeting, it shall conduct a vote on the revisions within three (3) public meetings.

ii. If the Board modifies or rejects the proposed revised policies and procedures, the District shall re-submit a new proposal for revisions to the relevant policies and procedures to the United States.

iii. Under the terms of this Consent Decree, the United States has authority to review and approve the District's proposed revisions to its relevant policies and procedures for compliance with Title IV and Title IX, their implementing regulations, OCR Guidance, this Consent Decree, and the underlying reasons for this Consent Decree. Such approval will not be unreasonably withheld, and the United States shall complete such review within thirty (30) calendar days of receipt of the proposed revisions. The District, the Equity Consultant, and the United States will work together

in good faith to resolve any disagreements. If the District and the United States are unable to resolve any disagreements in a reasonable period of time, either party may request that this Court mediate the dispute.

e. The District will continue to distribute annually its student and employee handbooks, and such handbooks shall contain the revised relevant policies and procedures printed in full along with the title and contact information of the school-level and District-level individuals responsible for receiving and/or responding to harassment complaints, including the names and contact information for the Title IX Coordinator and Equity Coordinator. If the District has not yet identified or hired the school-level and District-level individuals responsible for receiving and/or responding to harassment complaints, Title IX Coordinator, or Equity Coordinator at the time it prints the annual student and employee handbooks, the handbooks shall provide full contact information, including an email address that the later-identified employee will access (e.g., titleix@anoka.k12.mn.us for the Title IX Coordinator).

f. The District's website shall contain the revised relevant policies and procedures in full; the name and contact information of the school-level and District-level individuals responsible for receiving harassment complaints, including the Title IX Coordinator and Equity Coordinator; and a statement encouraging students to report incidents of harassment immediately.

website in a form-fillable PDF allowing direct electronic submission of the completed document to school and/or District officials, available in the languages represented in the District, and the District shall publicize the availability of this online form to all its students and their parents or guardians.

h. When the District revises any of the relevant policies or procedures during a school year pursuant to Section V.A.1-4 at pp. 8-15 of this Consent Decree, it shall disseminate notice of the revised policies and procedures to its students, parents and guardians, and employees and ensure all students, parents and guardians, and employees are able to access a full copy of the revised policies and procedures (e.g., by announcement on the District's website, email distribution to parents/guardians and employees, distribution of a written notice to students to take home with information on where hard copies of the revised policies are available, posting on school bulletin boards, etc.) not to exceed thirty (30) days after board approval.

i. The District will work with the Equity Consultant to determine appropriate ways to explain and address questions or concerns regarding the revised policies and procedures from students, parents and guardians, and employees.

5. Once the District revises its relevant policies and procedures pursuant to the terms above, the District will not modify those policies and procedures, rescind any of the policies or procedures, or adopt any new policies or procedures that relate to, are relevant to, or affect harassment during the period of the Consent Decree without following the process set forth in Sections V.A.4.b-d. at pp. 12-15.

B. Title IX Coordinator

1. Under 34 C.F.R. § 106.8(a), the District, as a recipient of federal funding, is required to “designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities” under Title IX, “including any investigation of any complaint communicated to such recipient” alleging noncompliance or actions that would violate Title IX. The District must also “notify all its students and employees of the name, office address, and telephone number” of the Title IX Coordinator.

2. The District will hire or appoint a qualified person knowledgeable in all aspects of Title IX law (as applied to school districts) with experience conducting training on harassment or related civil rights issues and in carrying out the duties and responsibilities enumerated in Sections V.B.3 *infra* at pp. 17-18, to serve as Title IX Coordinator. This individual is vested with responsibility from the District to ensure proper implementation of the District’s sex-based harassment policies and procedures.

a. If the District has already engaged its Equity Consultant, the Equity Consultant shall assist the District in hiring or appointing the Title IX Coordinator.

b. Prior to making an offer of employment or an appointment of a Title IX Coordinator, no later than April 30, 2012, the District shall submit the name and resume or curriculum vitae of the individual it would like to hire or appoint as the Title IX Coordinator to the United States. Under the terms of this Consent Decree, the

United States has authority to review and approve the hiring or appointment of the individual the District selects for Title IX Coordinator for compliance with Title IV and Title IX, their implementing regulations, OCR Guidance, this Consent Decree, and the underlying reasons for this Consent Decree. Such approval shall not be unreasonably withheld.

i. No later than five (5) school days after the Court enters this Consent Decree, the District shall appoint an Interim Title IX Coordinator.

ii. The Interim Title IX Coordinator shall be responsible for the duties referenced in Section V.B.1 at p. 16 until the start date of the District's permanent Title IX Coordinator.

c. Should the Title IX Coordinator, once hired or appointed, leave that position during the term of this Consent Decree, the District shall immediately notify the United States and shall work with the Equity Consultant to hire or appoint a replacement pursuant to the terms in Section V.B.2. at pp. 16-17.

3. The Title IX Coordinator's duties shall include:

a. Ensuring the District complies with and carries out the requirements of and its obligations under Title IX;

b. Implementing District policies and procedures related to sex-based harassment and ensuring administrators, staff and students comply with those policies and procedures;

- c. Monitoring all complaints of sex-based discrimination and harassment pursuant to Section V.B.4., *infra* at pp. 18-20;

- f. Training District employees and students regarding sex-based discrimination and harassment, and District policies and procedures pursuant to Section V.D., *infra* at pp. 22-29; and
- g. Consulting with security personnel and administrative staff following any physical incidents of sex-based harassment or assault.

4. The District and its Title IX Coordinator will establish a system for District review of school-level investigations and resolutions of student conduct that may constitute sex-based harassment in order to ensure both compliance with the District's HVD Policy and that the District properly identifies all sex-based harassment as a means to assess the effectiveness of its efforts in preventing and eliminating harassment. The Equity Consultant will assist in the development and implementation of those procedures. That system will require, at minimum, that:

- a. The Title IX Coordinator review all school-level harassment incident reports to ensure that all alleged incidents that involved possible sex-based

harassment were properly identified as such and responded to appropriately, in accordance with the requirements of Title IV and Title IX, their implementing regulations, and OCR Guidance . The Title IX Coordinator will follow up with any particular schools or personnel who could improve their identification of or response to sex-based harassment to address the mistake(s);

b. For each harassment incident involving possible sex-based harassment, including but not limited to situations that result in assaults, the Title IX Coordinator will evaluate, within ten (10) school days of receiving the report, referral, or complaint of the harassment incident:

i. The investigating official's findings and the basis for those findings in supporting documentation; and

ii. Whether the school or District's response complied with the HVD Policy and Title IX.

c. For each instance of sex-based harassment for which the Title IX Coordinator determines that a school's response could be improved pursuant to the policies and procedures established in the HVD Policy or Title IX, the Title IX Coordinator will:

i. Promptly identify all areas where the school's response could be improved pursuant to the HVD Policy or Title IX;

ii. Promptly inform the Designated Person at that school who has been designated pursuant to Section V.D.4 at p. 26 below and the employee(s)

who responded to the complaint of the manner in which the response could be improved under the HVD Policy or Title IX, and provide guidance and support necessary to ensure that a proper response is provided in the future, including, but not limited to, additional training and professional development;

iii. Initiate timely steps to remedy the non-compliance with regard to the particular complaint; and

iv. Within seven (7) school days of completing the investigation, contact the parents of both the student(s) subject to the harassment and the offending student(s) to inform them of the Title IX Coordinator's review of the complaint, being sensitive to any personal concerns of the student related to the basis for the harassment, provide the parents a copy of the HVD Policy, as well as the timeline for any additional processing and/or resolution of the underlying complaint. That timeline shall not exceed fourteen (14) school days from the date of parental contact without good cause.

d. The Title IX Coordinator shall submit for the United States' approval written copies of the system developed pursuant to Section V.B.4 at pp. 18-20 by August 1, 2012. Under the terms of this Consent Decree, the United States has authority to review and approve the District's proposed system for review of school-level investigations and resolutions of student conduct that may constitute sex-based harassment for compliance with Title IV and Title IX, their implementing regulations, OCR Guidance, this Consent Decree, and the underlying reasons for this Consent Decree.

Such approval will not be unreasonably withheld, and the United States shall complete such review within thirty (30) calendar days of receipt of the proposed system. If, however, the District and the United States initially disagree regarding the proposed system, the District, the Equity Consultant, and the United States will work together in good faith to resolve any disagreements. If the District and the United States are unable to resolve any disagreements in a reasonable period of time, either party may request that the Court mediate the dispute.

C. Equity Coordinator

1. The District shall hire or appoint a qualified person knowledgeable in all aspects of the MHRA and in sexual orientation-based harassment, as applied to school districts, to serve as the Equity Coordinator. This individual will ensure proper implementation of the District's sexual orientation-based harassment policies and procedures.

2. If the District has already engaged its Equity Consultant, the Equity Consultant shall assist the District in hiring or appointing the Equity Coordinator.

3. The Equity Coordinator shall have the same duties and responsibilities as the Title IX Coordinator under Sections V.B.3-4 at pp. 17-21, except that the Equity Coordinator shall focus on sexual orientation-based harassment instead of sex-based harassment.

4. Additionally, the Equity Coordinator or other qualified individual shall supervise, offer resources to, and act as a District liaison to Gay-Straight Alliance groups (GSAs) in the District, and his or her duties in this regard shall include:

- a. Organizing regular meetings of GSA facilitators;
- b. Providing resources and support to gender nonconforming students, to students of diverse sexual orientations, and to students whose family members have diverse sexual orientations;
- c. Providing resources (consistent with the level of resources provided to other non-curricular student groups under the Equal Access Act) on gender identity, gender nonconformity, and sexual orientation for District teachers, staff, administrators, and GSA facilitators; and
- d. Collaborating with external agencies and organizations for support and assistance.

5. The District may elect to have the same individual act as both the Title IX Coordinator and the Equity Coordinator.

All such trainings

shall be mandatory and the District will ensure that any student or employee who misses a scheduled training receives the training in a timely manner.

2. The District provides, and shall continue to provide, age-appropriate instruction to all of its students on harassment on an annual basis and on a make-up basis for students who miss the annually scheduled training. By September 1, 2012, the Equity Consultant shall review and recommend improvements to the content of the District's training program for students. The Equity Consultant's recommendations for student training content shall include, but are not limited to:

a. The importance of, sensitivity to, and respect for the diversity of the student body, specifically addressing harassment, including but not limited to issues related to sex and gender, including nonconformity with gender stereotypes.

b. For students in grades 6-12:

i. Instruction on the types of conduct that constitute harassment, including the use of multiple examples of the different types of behaviors that can constitute harassment;

ii. Instruction on the negative impact that such harassment has on students and on the educational environment;

iii. Information regarding how students are expected to respond to harassment they experience or witness, or of which they otherwise know or become aware, including the reporting avenues available;

iv. Information regarding how teachers, administrators, and staff are expected to respond to harassment they witness or to incidents that are reported to them;

v. A discussion of potential consequences for students who harass their peers, including a statement that the District and every school in the District will not tolerate harassment and will address all such incidents;

vi. An introduction of the Title IX Coordinator and an explanation of his/her role; and

vii. An introduction of the Equity Coordinator and an explanation of his/her role.

c. For students in grades K-5, instruction designed to promote an inclusive and safe educational environment for all students, including issues related to the prevention of bullying and violence.

3. The District provides, and will continue to provide, training to all of its teachers and administrators on harassment on an annual basis, and on a make-up basis for those employees who miss the annually scheduled training. By July 1, 2012, the Equity Consultant shall review and recommend improvements to the content of the District's staff training program. The District shall ensure all staff who interact with students receive mandatory annual training. The Equity Consultant's recommendations for training content shall include, but are not limited to:

a. In-depth instruction on the type of conduct that constitutes harassment, specifically addressing examples of sex-based and sexual orientation-based harassment, and a discussion about the negative impact that such harassment has on students, employees, and the educational environment;

b. In-depth discussion on the importance of, sensitivity to, and respect for the diversity of the student body. Such discussions will include the following topics: gender identity, gender expression, level of conformity to gender stereotypes, and sexual orientation;

c. A facilitated discussion on the root causes of harassment and the harms resulting from such conduct;

d. Specific guidance and discussions of steps to foster a nondiscriminatory educational environment for all students, specifically students who do not conform to gender stereotypes and/or who are or might be perceived to be lesbian, gay, bisexual, or transgender;

e. A review of the revised harassment policies and procedures with emphasis on the District's and its employees' responsibility to respond to all harassment, and to take effective action to end harassment, prevent its recurrence, and as appropriate, remedy its effects;

f. An introduction of the Title IX Coordinator and an explanation of his/her role;

g. An introduction of the Equity Coordinator and an explanation of his/her role;

h. Identification of designated staff at each school who are available to answer questions or address concerns regarding the harassment policies and procedures or other issues related to harassment (*see infra* Section V.D.4 at p. 26);

i. Clarification that failure by school officials to respond in a timely, reasonable, effective, and appropriate manner, in accordance with the requirements of Title IV and Title IX, their implementing regulations, and OCR Guidance, to harassment of which they knew or should have known violates District policy as well as federal and/or state laws;

j. Clarification that in countering harassment, staff should inform harassers that the District is accepting of all students, regardless of gender nonconformity or sexual orientation, and that comments to the contrary are inappropriate and harmful;

k. Clarification that statements of staff that expressly affirm the dignity and self-worth of students and any protected characteristic of such students are consistent with District policies, subject to the Equity Consultant's recommendations.

4. The District has designated at least one administrator or staff member ("Designated Person") at each middle and high school who will be responsible for overseeing reports and investigations of harassment and answering staff and student questions regarding the harassment policies and procedures in his or her school.

a. By the first day of school each year, the District shall provide the name and contact information of the Designated Person for each school on its website and on a prominent bulletin board in each school's main office. If the Designated Person is identified at the time the annual student and employee handbooks are printed, the District shall also include the name of the Designated Person in the handbooks. If the Designated Person has not yet been identified when the handbooks are printed, the District shall include in the handbooks the full contact information for each Designated Person, including an email address (*e.g.*, DPblainehs@anoka.k12.mn.us).

b. Each middle and high school in the District shall also identify and introduce its Designated Person to all students during student orientation at the beginning of each school year.

5. K. The Student Plaintiffs are permanently barred and enjoined from asserting, commencing, prosecuting, or continuing any of the claims that were settled and released in this Consent Decree.

VII. MISCELLANEOUS

A. This Consent Decree shall remain in effect for five (5) years from the date of entry. The Court shall retain jurisdiction for the duration of this Consent Decree to enforce the terms of the Consent Decree.

B. In consideration of, and consistent with, all the terms of this Consent Decree, the United States agrees to refrain from undertaking further investigation into, or pursuing further legal proceedings regarding, all matters contained within the Consent Decree, except those rights and remedies identified in the Consent Decree.

C. The requirements and procedures in this Consent Decree shall be implemented consistent with the rights and protections afforded under the MGDPA; FERPA; 20 U.S.C. § 1232g; 34 C.F.R. Part 99; Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, 45 C.F.R. Parts 160, 162, and 164 (“HIPAA”); and other applicable law.

D. In consideration of, and consistent with, all the terms of this Consent Decree, the Student Plaintiffs' Complaints are hereby dismissed with prejudice and without taxing costs to any party. Student Plaintiffs retain the right to petition the Court for the purpose of enforcing their individual rights under Sections V.L.1. b. at p. 42- 43 and VI.A. at p. 48 of this Consent Decree. In the event that the Student Plaintiffs believe that the District has violated either Sections V.L.1.b. at p. 42 or VI.A. at p. 48, the Student Plaintiffs will provide the District written notice of such violation, and the District shall have ten (10) calendar days to cure any violation.

E. In consideration of, and consistent with, all the terms of this Consent Decree, the United States' Complaint-in-Intervention is hereby dismissed with prejudice and without costs to any party. The United States retains the right to petition the Court, at any time during the duration of this Decree, for the purpose of enforcing the Decree consistent with Section V.M.3 at p. 47 of this Consent Decree.

F. The individual defendants named in the Student Plaintiffs' Complaints shall not have any individual responsibility to carry out any of the requirements of this Consent Decree, except (to the extent applicable) as employees of the District.

G. The parties agree that, as of the date of entry of this Consent Decree, litigation is not "reasonably foreseeable" concerning the matters described herein. To the extent that any party previously implemented a litigation hold to preserve documents, electronically stored information, or things related to the matters described herein, the

party is no longer required to maintain such a litigation hold. Nothing in this paragraph relieves any party of any other obligations imposed by this Consent Decree.

H. This Consent Decree, including its attached exhibits, constitutes the entire agreement by the parties and no other statement, promise, or agreement, either written or oral, made by any party or agents of any party, that is not contained in this written Consent Decree, shall be enforceable regarding the matters raised in this Decree.

I. This Consent Decree is final and has binding effect on the parties, including all principals, agents, executors, administrators, representatives, employees, successors in interest, beneficiaries, assigns, and legal representatives thereof.

J. Failure of a party to seek enforcement of this Consent Decree pursuant to its terms with respect to any instance or provision shall not be construed as a waiver to such enforcement with regard to other instances or any provisions.

K. This Consent Decree does not cover any other pending or future complaints or investigations by OCR and/or DOJ.

L. This Consent Decree does not affect the District's duty to comply with the Equal Protection Clause, Title IV, Title IX, the MHRA, or any other law.

M. The District (including its officers, agents, affiliates, subsidiaries, servants, employees, and all other persons or entities in active concert or privity with it) agrees not to retaliate against any student or employee who in relation to the allegations outlined above has testified, assisted, or participated in a proceeding or investigation under the Equal Protection Clause, Title IV, Title IX, or the MHRA.

N. The undersigned representatives of the parties certify that they are authorized to enter into and consent to the terms and conditions of the Consent Decree and to execute and legally bind the parties to it.

O. All parties to this Consent Decree shall undertake all reasonable and necessary action to facilitate approval of this Consent Decree, including but not limited to jointly petitioning the Court for approval under applicable Minnesota Statutes and governing law for minor settlements and school district settlements.

P. If any provision of this Consent Decree is determined by any court to be unenforceable, the other terms of this Consent Decree shall nonetheless remain in full force and effect, provided however, that if the severance of any such provision materially alters the rights or obligations of the parties, the United States, Student Plaintiffs, and the District shall engage in good-faith negotiations in order to adopt such mutually agreeable amendments to this Decree as may be necessary to restore the parties as closely as possible to the initially agreed-upon relative rights and obligations.

Q. The Court orders that nothing in this Consent Decree shall be construed as an acknowledgement, admission, or evidence of liability of the District or any individual defendant. The Court further orders that nothing in this Consent Decree may be used as evidence of District liability by Student Plaintiffs or any other private litigants in any other proceeding.

R. The Court hereby refers to the Magistrate Judge all matters regarding the management and execution of the Consent Decree, pursuant to 28 U.S.C. § 636.
