02/25/2010	<u>956</u>	REPORT OF SETTLEMENT DISCUSSIONS: I have conducted a series of settlement discussions with the parties in this matter with the last being held on Thursday, February 18, 2010. The State has announced that it will be closing Clover Bottom Development Center (CBDC) on June 30, 2010. All parties are in agreement that the State has a right at some point to close CBDC. For this undertaking to be successful, the State needs to provide as much information as possible to the conservators and guardians and the parties so that informed choices can be made. I certainly hope and expect the State will consider suggestions about the transition and closure plans that are made by all concerned parties. Without full cooperation from all concerned, this will be a long and complicated process. Signed by Magistrate Judge Joe Brown on 2/25/10. (km) (Entered: 02/26/2010)
