09/12/2011	<u>300</u>	MINUTES OF ORDER RE (1) PLAINTIFFS' NOTICE OF LODGING, (2) DEFENDANTS' MOTION FOR RECONSIDERATION, AND (3) PLAINTIFFS' MOTION FOR A PRELIMINARY INJUNCTION; and SCHEDULING

		<p>CONFERENCE held before Judge Dolly M. Gee: This matter is before the Court on (1) Plaintiffs' Notice of Lodging Alternative Second Amended Class–Action Complaint for Declaratory and Injunctive Relief <u>248</u> , (2) Defendants' Motion for Reconsideration of the Court's Order dated 7/18/2011 <u>249</u> , and (3) Plaintiffs' Motion for a Preliminary Injunction <u>217</u> . For the reasons set forth in the order, Plaintiffs' request for clarification is GRANTED in part and DENIED in part, Defendants' Motion for Reconsideration is GRANTED in part and DENIED in part, and Plaintiff Moreno's Motion for a Preliminary Injunction is DENIED without prejudice. The Court therefore GRANTS Defendants' Motion for Reconsideration as to Canto and DENIES Plaintiffs' request for leave to amend to add Canto as a named plaintiff because to do so would be futile. Plaintiffs' Second Amended Complaint <u>25</u> is deemed filed nunc pro tunc as of the date Plaintiffs filed their motion for leave to amend <u>180</u> , i.e., 4/18/2011. Defendants shall have ten days from the date of this Order, i.e., by 9/22/2011, to file a responsive pleading. The Court advances the hearing on Defendants' Motion for Review of Magistrate Judge's 8/19/2011 Ruling <u>295</u> to 9/23/2011 at 11:00 AM before Judge Dolly M. Gee. Plaintiffs will file their opposition by 9/12/2011 and Defendants may file their reply by 9/16/2011. The Court will not change the supplemental briefing schedule previously established for Plaintiffs motion for class certification <u>126</u> . The hearing on the motion for class certification shall be set for 10/24/2011 at 09:30 AM before Judge Dolly M. Gee. The parties may proceed with merits discovery as to the individual plaintiffs, starting with the production of the so–called "A files." Merits discovery as to the class, if certified, may commence within one week after the Court's ruling on Plaintiffs' motion for class certification. The parties shall meet and confer regarding proposed new pretrial and trial dates consistent with the parameters set by the Court. The parties shall file a Second Amended Joint Rule 26(f) Report with a proposed schedule by 9/16/2011. Court Reporter: Anne Kielwasser. (gk) (Entered: 09/12/2011)</p>

Ashcroft, 324 F.3d 1062, 1066 n.5 (9th Cir. 2003). 08/30/2012	<u>462</u>	MINUTE ORDER IN CHAMBERS by Magistrate Judge David T Bristow: In light of the recent denial of defendants/respondents Motion to Amend or, in the Alternative, Reconsider the Class Certification Order (Motion to Amend) on August 27, 2012, the Court DENIES defendants/respondents Application to Stay Class-Related Discovery Until Ruling on Motion to Amend; and to Place Limits on Merits Discovery as MOOT. Additionally, to the extent defendants/respondents request to place limits on merits discovery may be construed as a request for a protective order, they have failed to demonstrate good cause for the issuance of such an order, or otherwise demonstrated that limitations should be placed on plaintiffs/petitioners rights to discovery in this matter, particularly in light of the denial of the Motion to Amend. See Fed. R. Civ. Proc. 26(c)(1). Accordingly, the Court DENIES defendants/respondents request for a limitation on discovery and/or protective order without prejudice. 04/23/2013	<u>592</u>	ORDER RE PLAINTIFFS' MOTION FOR PARTIAL SUMMARY JUDGMENT AND PLAINTIFFS' MOTION FOR PRELIMINARY INJUNCTION ON BEHALF OF SEVEN CLASS MEMBERS by Judge Dolly M. Gee: The Court GRANTS Plaintiffs' Motion for Partial Summary Judgment <u>398</u> on the grounds that (1) Section 504 of the Rehabilitation Act requires Defendants to provide Qualified Representatives to represent Sub-Class One members in all aspects of their removal and detention proceedings ("Count Four"), and (2) the INA requires the provision of a custody redetermination hearing for individuals in Sub-Class Two who have been detained for a prolonged period of time greater than 180 days ("Count Eight"). Plaintiffs' Motion for Partial Summary Judgment <u>398</u> is DENIED in all other respects. Plaintiffs' Motion for Preliminary Injunction <u>527</u> is DENIED as moot. In addition, Plaintiffs' Request to Unseal the Court's Tentative Order <u>586</u> is DENIED because the "tentative" ruling, by its very nature, was never filed, either under seal or otherwise. The Court finds that there is no just reason for delay and therefore enters judgment for Plaintiffs as to Counts Four and Eight. Accordingly, the Court orders that judgment be entered and a permanent injunction shall issue in accordance with this Order. A Judgment and Permanent Injunction is filed concurrently herewith. (gk) (Entered: 04/23/2013)
04/23/2013	<u>593</u>	PARTIAL JUDGMENT AND PERMANENT INJUNCTION by Judge Dolly M. Gee: The Court GRANTS in part and DENIES in part Plaintiffs' Motion for Partial Summary Judgment <u>398</u> . The Court orders the following: (1) Judgment is entered in favor of Plaintiffs Martinez, Khukhryanskiy, Chavez, Zhalezny, and other members of Sub-Class One, and against Defendants, on Count Four. Judgment is entered in favor of Plaintiffs Martinez, Khukhryanskiy, Zhalezny, Sepulveda, and other members of Sub-Class Two, on Count Eight; (2) The Court hereby declares that Defendants have violated Section 504 of the Rehabilitation Act by failing to provide Sub-Class One members with a reasonable accommodation, i.e., a Qualified Representative in all aspects of their immigration proceedings; (3) The Court further declares that Defendants have violated the Immigration and Nationality Act by failing to provide Sub-Class Two members with a bond hearing after a presumptively reasonable period of 180 days in detention at which the Government bears the burden of justifying continued detention by clear and convincing evidence. See document for details re Permanent Injunction. Within 45 days of this Order and Judgment, Defendants shall submit to the Court a plan and status report describing the steps taken to implement this Order and Judgment and future plans for implementation. 04/29/2013	<u>596</u>	MINUTES (IN CHAMBERS): ORDER by Magistrate Judge David T. Bristow: Currently pending before the Court is plaintiffs Motion to Compel Production of Records (Motion) filed on January 17, 2013. At the telephonic status conference held on April 3, 2013, the Court ordered the parties to file one Supplemental Joint Stipulation regarding this discovery dispute. The Court expressly stated that each party was limited to ten pages each. Nevertheless, the parties agreed, without the Courts approval, to extend the deadline for filing the Supplemental Joint Stipulation and permit plaintiffs to file an extra 1.5 pages of briefing. As the Court previously advised, if any partys briefing exceeded the 10–page limit, the Court would strike the entirety of that partys portion of the Supplemental Joint Stipulation. Although the Court declines to strike plaintiffs portion of the Supplemental Joint Stipulation, the Court will strike plaintiffs portion of the brief beyond the 10 page limit and it will not be considered for purposes of the Motion. Additionally, the parties stipulated, again without Court approval, to permit defendants to file a response to the Supplemental Joint Stipulation to address a new claim regarding defendants document production (Supplement). [Dkt. # 591.] As the Supplement and supporting declaration were also filed without the Courts approval, these documents are likewise stricken and will not be considered in deciding the Motion. Finally, plaintiffs Request to File Declaration of Aaron Cornell to Refute Declaration of Victor Lawrence Regarding Dispute over Production of Records [Dkt. # 595] is DENIED as moot, since defendants Supplement has been stricken. <u>595</u> (am) (Entered: 04/29/2013)

05/02/2013	<u>602</u>	MINUTES OF IN CHAMBERS – ORDER RE PLAINTIFFS' EX PARTE APPLICATION FOR EXTENSION OF TIME TO FILE MOTION FOR ATTORNEYS' FEES by Judge Dolly M. Stip.). Accordingly, based on the foregoing, defendants Motion to Compel is GRANTED in part and DENIED in part. Within 14 days of the date of this Order, plaintiffs shall supplement their responses to Interrogatory Nos. 11–14. To the extent plaintiffs contend that they do not have all of the information available to fully respond to these interrogatory requests, plaintiffs are reminded that they have a continuing duty to supplement their interrogatory responses should new information require it. See Fed. R. Civ. P. 26(e). Defendants Motion to Compel is DENIED in all other respects. <u>520</u> (am) (Entered: 05/03/2013)

R. Civ. P. 5.2 (c). Therefore, it is unnecessary for parties to request sealing of their documents. Plaintiff's ex parte application <u>608</u> is therefore DENIED as moot. 08/02/2013	<u>648</u>	MINUTES OF Status Conference held before Judge Dolly M. Gee: Some of Defendants' representatives appear telephonically. The Honorable A. Howard Matz, former United States District Judge, is also in attendance. The Court finds that it would be appropriate to appoint a Special Master to assist the parties and the Court in finalizing an implementation plan for the permanent injunction. The Court rules that Defendants shall pay for the cost of the Special Master because Plaintiffs are indigent and mentally incompetent and do not have the wherewithal to pay for, or share in the cost of, the Special Master. The Court intends to issue an order appointing a Special Master pursuant to Fed. R. Civ. P. 53. The Court and Judge Matz confer with counsel regarding the logistics, time frame, and compensation issues. By 8/16/2013, Defendants shall file pertinent information regarding the range of hourly compensation that the Government has paid for Special Masters, and any associates or law clerks, in connection with other ongoing or past litigation. Defendants shall provide Plaintiffs with a redline of that proposed plan prior to any meet and confer session(s). Following their meet and confer efforts, the parties shall file an updated joint status report regarding the proposed implementation plan. The updated joint status report shall be filed by 8/30/2013. By 8/6/2013, the parties shall file a joint status report regarding (1) a proposed stipulation to hold discovery in abeyance, and (2) Defendants' ability to identify at least five competency hearings that Plaintiffs' counsel may attend in August or early September. See document for details. Court Reporter: Anne Kielwasser. (gk) (Entered: 08/12/2013)

Howard Matz, Special Master, filed his First Report to this Court ("Special Master's Report") <u>709</u> . The Court held a hearing on the objections on 5/15/2014. Having duly considered the Special Master's Report, the parties' briefing, and oral argument, the Court memorializes its tentative rulings at the 5/15/2014 hearing with some modifications as follows: The Court declines to incorporate the Special Masters proposed additional sentences to the parties' jointly agreed-upon competency standard, which has been vetted by experts in the field. 07/03/2014	<u>759</u>	ORDER RE: JOINT STIPULATION FOR EXTENSION OF TIME TO FILE JOINT PROPOSED IMPLEMENTATION PLAN ORDER <u>755</u> by Judge Dolly M. Gee: In accordance with the parties Joint Stipulation for Extension of Time to File Joint Proposed Implementation Plan Order, and good cause appearing, IT IS HEREBY ORDERED, nunc pro tunc, that the deadline for filing the parties Joint Proposed Implementation Plan Order is extended from July 2, 2014 to on or before July 11, 2014. (kti) (Entered: 07/03/2014)
07/08/2014	<u>760</u>	MINUTES OF Telephonic Hearing Re Defendants' Motion for Reconsideration and Plaintiffs' Ex Parte Application held before Judge Dolly M. Gee: The Court determines that no further briefing will be necessary on Defendants' Motion for Reconsideration <u>757</u> . The Court will hold Defendants' motion for reconsideration in abeyance pending the parties' meet and confer process. The parties requested guidance, while they collectively draft a proposed FinalImplementation Order, as to how to present areas of disagreement to the Court. The Court instructed the parties to present, by July 11, their alternate proposed language along with their respective brief explanations in support thereof in a joint position statement to Judge Matz (and filed on the docket). Judge Matz may order a hearing to address differences in the parties' proposed language, if he feels a hearing would be appropriate and constructive. The Court will consider Judge Matz's recommendations following his review of the parties' joint statement. Plaintiffs renewed their application for permission to publicly disseminate certain documents on the docket <u>714</u> . The Court GRANTS Plaintiffs' request as to any documents no longer under seal pursuant to today's order. Specifically, with regard to Plaintiffs' request to be able to disseminate the parties' jointly agreed upon competency standard, the Court indicated that they could do so provided that they shall place a notation on the document stating that it is "NON-FINAL" or include an explanatory sentence on the document such as the following: "This document reflects the agreement of the parties in Jose Antonio Franco-Gonzalez, et al. v. Eric H. Holder, Jr., Attorney General, et al., Case No. CV 10-2211 DMG (DTBx) (C.D. Cal), but it is not a final Order of the Court." Notwithstanding Fed. R. Civ. P. 5.2(c), the Court indicated to the parties that it does not believe that many of the documents that are automatically restricted on the docket in this class action should remain restricted, per the Ninth Circuit's discussion of the sealing standard in Kamakana v. City and County of Honolulu, 447 F.3d 1172, 1179 (9th Cir. 2006). Accordingly, the Court ORDERS that all documents on the docket prior to Docket No. 609 shall be unrestricted unless the Court has granted an application by one of the parties to file the particular document under seal. By 8/8/2014, Defendants shall review all documents after Docket No. 609 and propose which, if any, documents should be filed under seal, identify the reasons justifying sealing under Kamakana, and propose the least restrictive method for sealing. 04/04/2017	<u>933</u>	MINUTE ORDER IN CHAMBERS – ORDER RE CLASS DEFINITION <u>905 908</u> by Judge Dolly M. Gee. On March 8, 2017, the Court proposed a clarification of the class definition with the purpose of eliminating future disputes between the parties as to those "rare" situations where potential class members are detained in states different from the location of their immigration proceedings <u>928</u> . In their Joint Statement responding to the Court's proposal, Plaintiffs accepted the proposed clarification, but Defendants opposed it <u>928</u> . Defendants assert that the Court's proposed clarification of the class definition expands the coverage of the Franco safeguards to individuals who are detained outside of the Covered States, but have their immigration proceedings within thema circumstance without factual predicate at the time of the parties' settlement agreement, not contemplated by the parties in either the lawsuit or the settlement agreement, and for whom there was no analogous class representative. As to this issue, the Court is of the view that, if the parties cannot voluntarily agree to adopt the Court's proposed revised class definition, it is a matter that must be reserved for another day. Accordingly, at this time, the Court adopts a more limited approach, which is to leave the existing class definition intact and to accept Defendants express agreement to extend the Franco safeguards to those class members detained at Cowlitz, even if their immigration proceedings are held outside of the Covered States. 05/12/2017	<u>943</u>	MINUTES OF IN CHAMBERS – ORDER RE DEFENDANTS' MOTION FOR RECONSIDERATION by Judge Dolly M. Gee: This matter comes before the Court upon Defendants' Motion for Reconsideration in connection with Part IV of this Court's Order Re Monitor's Report on Status of Implementation for Third Reporting Period ("Subclass Two Protections Order"). Defendants move pursuant to Federal Rule of Civil Procedure 59(e), and argue that the Court "committed clear error or made an initial decision that was manifestly unjust." Defendants take issue with the Court's ruling that the Government must provide Class Members with automatic bond hearings after 180 days of detention, regardless of the entry of a final order of removal. Defendants' failure to bring this specific question to the Court's attention does not warrant reconsideration of the issue now, during the monitoring period. 04/30/2018	<u>996</u>	ORDER RE COMPLIANCE WITH GOALS OF EXTENDED MONITORING PERIOD AND TERMINATION OF MONITORING by Judge Dolly M. Gee: The Court held a final status conference in this matter on 4/16/2018. Defendants have complied with the Court's 12/15/2017 Amended Order re Monitor's Report on Status of Primary Goals During Extension of Monitoring Term <u>972</u> , and the monitoring term has ended. The Court therefore terminates monitoring. At the Court's request, the retained expert in this case, Dr. Melissa Piasecki, conferred with Defendants about her observations regarding future opportunities for improvements in screening detainees for mental illness and supporting immigration judges ("IJ") in their work. The Court strongly recommends that Defendants embrace those opportunities for improvements and continue to implement improvements in the near future. Additionally, Defendants should continue to communicate with Plaintiffs regarding non-IHSC facilities' adoption of revised screening tools, including any incorporation of Franco procedures into their contracts, as well as the status of contract renegotiations, renewals, and/or expirations with regard to such facilities. Finally, the Court strongly encourages the parties to continue to meet and confer regarding Implementation Plan compliance issues to the extent they arise, as Defendants have indicated they are willing to do. See document for further details. (gk) (Entered: 04/30/2018)

08/10/2018	<u>1008</u>	MINUTES OF ORDER RE DEFENDANTS' MOTION TO AMEND PERMANENT INJUNCTION AND PARTIES' 8/6/2018 JOINT STATUS REPORT by Judge Dolly M. Gee: On 7/3/2018, Defendants filed an Unopposed Motion to Amend Order Implementing Court's Permanent Injunction ("Motion to Amend"), which sought to replace Appendix A with an Amended Appendix A <u>999</u> . Plaintiffs filed an ex parte application for leave to file a sur-reply to respond to Defendants' arguments and evidence, and suggested that the Court construe the Opposition as a motion to enforce <u>1002</u> . Recognizing the serious dispute between the parties and the snowball effect of their filings, the Court ordered the parties on 7/30/2018 to have a meaningful meet and confer and file a joint status report as to their respective positions. On 8/6/2018, the parties filed the Joint Status Report now before the Court <u>1005</u> . Defendants' Motion to Amend is DENIED without prejudice. Defendants may file a renewed noticed motion to amend that shows they have come into compliance with the Implementation Plan Order's requirements for inclusion in Appendix A by no later than 8/31/2018. Alternatively, by the same date, Plaintiffs may file a noticed motion to enforce based on Defendants' noncompliance, if appropriate. Defendants shall file a status report no later than 8/17/2018 that details their compliance with the Court's Order Further Implementing This Court's Permanent Injunction issued 10/29/2014 ("IPO") to date. The Court urges the parties to conduct a meaningful meet and confer under Local Rule 7-3 prior to bringing any such motions. After the parties worked so long and hard to develop the detailed standards set forth in the IPO, neither the parties nor the Court should countenance a dilution of those standards applicable to the Franco class members. Gee: The parties filed a document on 1/24/2020 <u>1073</u> , it is not a "Joint" Status Report and the parties have not agreed on a discovery timeline. Instead, the parties have essentially filed separate briefs within a single document setting out competing positions as to the propriety of Plaintiffs' discovery requests and the amount of time that Defendants will need to comply with them. Plaintiffs shall serve on Defendants a set of Second Amended Interrogatories that comply with this Order and implement the modifications that the Court addressed above by 2/27/2020. By 3/6/2020, the parties will, once again, meet

		and confer in an effort to agree on a discovery timeline in light of the Court's rulings. Either Plaintiffs or Defendants shall file their discovery motion by 3/20/2020. Any motion filed before the Magistrate Judge may not address any issues that the parties have not referenced in the briefing on Plaintiffs' previous motion or the Joint Status Report. This motion is not an invitation to litigate new and different discovery issues that the parties have not already identified. The motion shall follow the regular notice and briefing procedures under the Local Rules. The Clerk of Court is directed to assign a United States Magistrate Judge to this action.
