ORDER

September 26, 2017

Saris, Chief U.S.D.J.

Having considered Plaintiffs' Emergency Motion for
Temporary Restraining Order and Stay of Removal and Memorandum
in Support Thereof, after hearing, the Court holds that this is
a proper case for the issuance of an order to maintain the

status quo until the Court determines whether it has jurisdiction. See United States v. United Mine Workers of Am., 330 U.S. 258, 290 (1947). A briefing schedule has been established.

Defendants are hereby enjoined and prohibited from removing or causing the removal from the United States of all named Plaintiffs, with final orders of removal, who have been, or will be, arrested, detained, or removed by ICE after having participated, at any time, in 'Operation Indonesian Surrender.' All such removals now pending are hereby stayed and shall not proceed until further order of the Court.

IT IS SO ORDERED.
