

AFFIDAVIT

Before me, the undersigned authority, personally appeared Jerry Lee, who, being by me duly sworn, deposed as follows:

1. I am the St. Louis County Chief of Police and as such am familiar with the procedures and protocols of the St. Louis County Police Department.
2. The St. Louis County Police Department has access to the Law Enforcement Support Center (LESC), a national enforcement operations facility administered by U.S. Immigration and Customs Enforcement (ICE). LESC is the single national point of contact that provides timely immigration status and identity information to local, state, and federal law enforcement agencies on aliens suspected, arrested, or convicted of criminal activity.
3. The St. Louis County Police Department has access to LESC pursuant to a signed agreement with the federal government which allows for the use of LESC only for certain designated purposes.
4. The St. Louis County Police Department accesses the LESC to inquire as to a person's legal or citizenship status only in instances where a person is arrested or detained for a criminal offense.
5. The St. Louis County Police Department will not access the LESC in order to assist a municipal housing inspector to determine the legal or citizenship status of a potential renter or home purchaser. Such use of the LESC is not authorized by the Police Department's agreement with the federal government.
6. In the event that a municipal housing inspector was to request such services, we would refer them to the proper federal authorities.

The undersigned swears that the matters set for in the foregoing affidavit are true and correct according to the undersigned's best knowledge and belief. Subject to the penalties of making a false affidavit or declaration.
