**MEMORANDUM OF UNDERSTANDING
REGARDING SETTLEMENT**

Judge: Hon. Allison Claire

Date Filed: May 6, 2013

Trial Date:

1 This Memorandum of Understanding is entered into between and among: (i) Shasta
2 County (“County”), Shasta County Sheriff’s Department (“Sheriff’s Department”), (ii) Tom
3 Bosenko as Sheriff of the Shasta County (together, the “County Defendants”); (iii) the California
4 Forensic Medical Group (“CFMG”) (collectively, “Defendants”); and (iv) Everett Jewett, Glen
5 Harold Everett, Michael Donald Ackley, and Legal Services for Prisoners with Children,
6 individually and on behalf of themselves and a class of persons similarly situated (the “Settlement
7 Class,” as defined below) and Harold Robert Marquette, individually (collectively, “Plaintiffs”).
8 Plaintiffs and the Defendants will be referred to in this Settlement Agreement individually as a
9 “Party” and collectively as the “Parties.” This Memorandum of understanding reflects the terms
10 of settlement that the Parties have agreed to for the purpose of resolving Plaintiff’s injunctive or
11 declaratory relief only in the above-captioned matter.

12 The Parties have negotiated and agreed upon a Class Action Settlement Agreement and
13 Release of Claims (the “Agreement”) which is attached hereto as **Exhibit A**. However, County
14 Defendants cannot execute the Agreement without approval from the Shasta County Board of
15 Supervisors (the “Board”), which is tentatively scheduled to meet and consider the Agreement on
16 August 22, 2017. Counsel for Defendants have agreed to the terms of the Agreement and will
17 recommend that the Board approve the Agreement at the tentatively scheduled August 22, 2017
18 meeting. CFMG and Plaintiffs agree to the terms of Agreement and do not require any further
19 approvals. The parties expect that Plaintiffs will begin working on the fee motion prior to the
20 Board agreeing to the Agreement.

Case No. 2:13-cv-0882 MCE AC (PC)

**CLASS ACTION SETTLEMENT
AGREEMENT AND RELEASE OF
CLAIMS**

Dept.:

Judge: Hon. Morrison C. England, Jr.
Hon. Allison Claire

Date Filed: May 6, 2013

Trial Date:

1 **I. RECITALS**

2 1. This Settlement Agreement and Release of Claims (the “Settlement Agreement”)
3 is made and entered into among: (i) Shasta County (“County”), Shasta County Sheriff’s
4 Department (“Sheriff’s Department”), (ii) Tom Bosenko as Sheriff of the Shasta County
5 (together, the “County Defendants”); (iii) the California Forensic Medical Group (“CFMG”)
6 (collectively, “Defendants”); and (iv) Everett Jewett, Glen Harold Everett, Michael Donald
7 Ackley, and Legal Services for Prisoners with Children, individually and on behalf of themselves
8 and a class of persons similarly situated (the “Settlement Class,” as defined below) and Harold
9 Robert Marquette, individually (collectively, “Plaintiffs”). Plaintiffs and the Defendants will be
10 referred to in this Settlement Agreement individually as a “Party” and collectively as the
11 “Parties.”

12 2. On May 6, 2013, Plaintiff Everett Jewett commenced a civil action in pro per in
13 the United States District Court for the Eastern District of California, Case No. 2:13-cv-00882-
14 MCE-AC (the “Complaint”), against Shasta County Jail, California Medical Group, and
15 California Medical Group medical directors alleging, *inter alia*, that Defendants discriminated
16 against him because of his disability.

17 3. The Complaint was subsequently amended, concluding with the Fifth Amended
18 Complaint (“the Lawsuit”) to include additional Plaintiffs Legal Services for Prisoners with
19 Children, Glen Harold Everett, Michael Donald Ackley, and Harold Robert Marquette. The
20 Lawsuit alleged claims solely against Defendants. In the Complaint, Plaintiffs alleged claims,
21 *inter alia*, under Title II of the Americans with Disabilities Act (42 U.S.C. § 12131, et seq.);
22 Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794, et seq.); and California
23 Government Code § 11135, *et seq.* on the grounds that Defendants failed to provide meaningful
24 access to prisoners with Mobility Disabilities in the Shasta County Jail (“Jail”).

25 4. On January 27, 2017, Plaintiffs filed a motion for class certification.

26 5. On April 4, 2017, the District Court granted Plaintiffs’ motion for class
27 certification pursuant to Rule 23(b)(2) of the Federal Rules of Civil Procedure. The District
28 Court certified the following class of persons for declaratory and injunctive relief only: “All

1 current and future detainees and prisoners at Shasta County Jail with mobility disabilities who,
2 because of their disabilities, need appropriate accommodations, modifications, services, and
3 and/or physical access in accordance with federal and state disability laws.”

4 6. The Parties now seek to resolve their differences and disputes in the Lawsuit by
5 settling such claims, disputes and controversies under the terms set forth in this Settlement
6 Agreement.

7 **II. DEFINITIONS**

8 As used in this Settlement Agreement, the following terms shall have the meaning
9 ascribed to them in this Section and in the Recitals. Except to the extent clearly required to the

11 in this section or elsewhere in the Settlement Agreement that has an expressly defined meaning in

8 appeal or writ has expired and no appeal or petition for review has been taken, or (ii) if an appeal
9 or petition for review is taken and the settlement set forth in this Settlement Agreement has been
10 affirmed in full, the time period during which any further appeal or review can be sought
11 (including through any appeal, petition for review, writ of certiorari or otherwise) has expired and
12 no such further appeal or review has been sought. In the event that no objections to this
13 Settlement Agreement are raised prior to or at the Fairness Hearing, that any objections that have
14 been raised have been fully and formally withdrawn, or that no viable objections otherwise exist
15 at the time of the Fairness Hearing, the Judgment will become “Final” as of the District Court’s
16 issuance of the Judgment. If the Judgment is set aside, materially modified, disapproved or

18 not become or be “Final.”

III. AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree as follows:

1. Recitals

The recitals set forth above are incorporated by reference in this Section and made part of this Settlement Agreement.

2. Settlement Approval Process

2.1. Court Approval

This Settlement Agreement will be subject to approval by the District Court. However, nothing in this Settlement Agreement will be deemed to authorize the District Court to change or

1 modify any of its terms. The Parties agree that any change, modification or rejection of any of
2 the provisions of this Settlement Agreement by the District Court or any other court without the
3 consent of all parties will constitute a material modification of this Settlement Agreement, will
4 prevent the Judgment from becoming Final, and will give any Party the right to terminate this
5 Settlement Agreement in its entirety.

6 **2.2. Preliminary Approval by the District Court**

7 Within thirty (30) days of circulating the fully executed Settlement Agreement, the
8 Plaintiffs and the County will jointly submit a request to the District Court for Preliminary
9 Approval of this Settlement Agreement in this Lawsuit, along with a request for an order from the
10 District Court (substantially in the form attached to this Settlement Agreement as Exhibit A) (the
11 “Preliminary Approval Order”): (i) preliminarily approving this Settlement Agreement; (ii)
12 directing notice to the Settlement Class as provided in this Settlement Agreement; (iii) setting
13 forth procedures and deadlines for comments and objections as provided in this Settlement
14 Agreement; (iv) scheduling a Fairness Hearing; and (v) enjoining Settlement Class members from
15 asserting or maintaining any claims to be released by this Settlement Agreement pending the
16 Fairness Hearing.

17 **2.3. Notice to Class of Settlement Pursuant to Rule 23(e)**

18 The Parties will jointly request approval by the District Court of notice pursuant Federal
19 Rules of Civil Procedure Rule 23(e) as attached hereto as Exhibit B. To the extent the Court
20 determines that any modifications to the Notice are required, the Parties will make such
21 modifications prior to distribution. Following the District Court’s issuance of the Preliminary
22 Approval Order, the Parties will provide notice of the proposed Settlement Agreement, advising
23 members of the Settlement Class of the terms of the proposed Settlement Agreement and their
24 right to object to the proposed Settlement Agreement. This notice will be published as follows:

25 **2.3.1.** Within seven (7) business days after the District Court has issued
26 Preliminary Approval Order, the notice will be posted by the Parties, at minimum: (1) on the
27 website of each firm making up Class Counsel; (2) On the County’s official website
28 (<http://www.co.shasta.ca.us>); and (3) in all Jail facilities operated by Defendants, including (but

1 not limited to) in all day rooms, the out-patient medical pod, all visitation rooms, and the visitor
2 waiting room. The County will pay the costs for the publication of the notice in this Section with
3 exception of posting on the website of each firm making up Class Counsel. Class Counsel will
4 pay the reasonable costs for the publication of the Notice of Settlement on its websites, but Class
5 Counsel will be entitled to seek reimbursement for all such reasonably incurred costs as part of
6 their motion for reasonable attorney fees, expenses and costs incurred in this action. The notice
7 shall remain posted for thirty (30) days.

8 **2.3.2.** As set forth in the Notice to Class, any Class Member may object to
9 the proposed Settlement Agreement by submitting their objection to Class Counsel in writing, via
10 regular or electronic mail, or by contacting Class Counsel via a toll-free number that Class
11 Counsel will establish (“Objections”) no later than a date set by the Court in this case after
12 preliminary approval of this Settlement Agreement. All Objections will be provided to
13 Defendants’ Counsel and filed with the Court. Only Class Members that have properly submitted
14 objections to this Settlement Agreement will have the right, if they seek it in their Objections, to
15 present objections at the Fairness Hearing.

16 **2.3.3.** The County shall provide notice as required by the Class Action
17 Fairness Act.

18 **2.4. Fairness Hearing**

19 The Parties will jointly request that the District Court schedule and conduct a Fairness
20 Hearing to decide whether Final Approval of the Settlement Agreement will be granted. At the
21 Fairness Hearing, the Parties will jointly move for entry of the Judgment (substantially in the
22 form as attached to this Settlement Agreement as Exhibit A), providing for: (i) Final Approval of
23 this Settlement Agreement as fair, adequate, and reasonable; (ii) final approval of the form and
24 method of notice of the Judgment to the Settlement Class; (iii) final approval of the release of the
25 Defendants from the Released Claims; and (iv) the District Court’s retention of jurisdiction over
26 the Parties to enforce the terms of the Judgment throughout the Term of this Settlement
27 Agreement.
28

1 **2.5. Additional Steps**

2 The Parties will take all procedural steps regarding the Fairness Hearing that may be
3 requested by the District Court and will otherwise use their respective best efforts to consummate
4 the settlement embodied in this Settlement Agreement, and to obtain approval of this Settlement
5 Agreement, and entry of the Judgment.

6 **2.6. Effect of Final Approval**

7 This Settlement Agreement, upon Final Approval, will be binding upon the Defendants,
8 Plaintiffs, and all Settlement Class members and, to the extent specifically set forth in this
9 Settlement Agreement, upon Class Counsel, will extinguish all Released Claims and will
10 constitute the final and complete resolution of all issues addressed herein. This Settlement
11 Agreement is the complete and final disposition and settlement of any and all Released Claims, as
12 detailed in Section III.3.

13 **2.7. Enforcement of Settlement Agreement**

14 The District Court shall have continuing jurisdiction over this Settlement Agreement
15 throughout the Term, including to resolve any Dispute regarding compliance with this Settlement
16 Agreement that cannot be resolved through the process described in Section III.13, and to rule on
17 Plaintiffs' motion for reasonable attorneys' fees and costs, as described in Section III.15. Nothing
18 in this Section will bar either Party from moving for an extension of the Term to enforce any
19 obligations herein or bar an extension pursuant to 18 U.S.C. § 3626(b)(3).

20 The Defendants will not assert, after the Judgment has become Final, that the District
21 Court lacks jurisdiction to enforce the terms of this Settlement Agreement, or raise any
22 jurisdictional defense to any enforcement proceedings permitted under the terms of this
23 Settlement Agreement.

24 **3. Release of Claims**

25 **3.1. Release of Claims through Term**

26 Subject to the entry of Judgment by the District Court, Plaintiffs and the Settlement Class
27 members (and their respective heirs, assigns, successors, executors, administrators, agents and
28 representatives) ("Releasing Parties"), in consideration of the relief set forth herein, do fully and

1 finally release, acquit and discharge Shasta County and California Forensic Medical Group and
2 their respective Related Entities from any and all claims, rights, demands, charges, complaints,
3 actions, suits, and causes of action, whether known or unknown, suspected or unsuspected,
4 accrued or unaccrued, for injunctive or declaratory relief only, relating to allegations that
5 prisoners with Mobility Disabilities are being denied access to, excluded from participation in, or
6 denied the benefits of the Shasta County Jail's Facilities starting on May 6, 2013 through the
7 Term. This release of claims will not apply to claims based on accessibility barriers in the Jail's
8 Facilities that remain in existence after the expiration of the Term. The release of claims in this
9 Section will apply and be binding upon the members of the Settlement Class throughout the
10 Term.

11 This Settlement Agreement and Release of Claims is in compromise of disputed claims
12 and therefore the Settlement Agreement and Release shall not constitute in any manner an
13 admission of liability or responsibility by the parties to this Settlement Agreement and Release of
14 Claims. Notwithstanding any other provisions in this paragraph, Defendants agree that Plaintiffs
15 are the prevailing parties for purposes of reasonable attorneys' fees and costs.

16 The Released Claims will not include any claims to enforce the terms of this Settlement
17 Agreement.

18 Except as otherwise provided for in this Settlement Agreement, nothing in this Settlement
19 Agreement releases any damages claims to which Class Members may be entitled.

20 To avoid any doubt, Mr. Everett Jewett's individual claims are not hereby released except
21 as they relate to purely injunctive relief.

22 **3.2. Known or Unknown Claims**

23 With respect to the release of claims as provided in Section III.3.1, Plaintiffs and the
24 Settlement Class agree that the Settlement Agreement will cover all claims for injunctive or
25 declaratory relief of every nature and kind whatsoever, known, or unknown, suspected or
26 unsuspected, past or present, which they may have against the County related to the accessibility
27 of the Jail facilities for persons with Mobility Disabilities, despite the fact that California Civil
28 Code Section 1542 ("Section 1542") may provide otherwise. Releasing Parties expressly waive

1 any right or benefit available to them in any capacity regarding claims for injunctive or
2 declaratory relief concerning the accessibility of the Jail Facilities, except for those that remain in
3 existence after the expiration of the Term, under the provisions of Section 1542, which provides:
4 “A general release does not extend to the claims which the creditor does not know or suspect to
5 exist in his or her favor at the time of executing the release, which if known by him or her must
6 have materially affected his or her settlement with the debtor.”

7 **4. California Forensic Medical Group, or its Successor**

8 If CFMG ever ceases being the medical contractor for the Jail it shall be released of
9 further prospective relief under the terms of this Settlement Agreement. It shall not be released
10 from any liability for attorney fees and costs for which it is responsible under the terms of this
11 Settlement Agreement or for any fees and costs that arise because of enforcing the fees and costs
12 provisions of this Settlement Agreement.

13 The County agrees that during the term of this Settlement Agreement, any contract with

21 efforts to contract with a joint accessibility expert, Sabot Consulting (“Joint Accessibility
22 Expert”), to conduct a full site inspection and assessment of the Jail facilities and prepare a
23 written report of their findings in order to identify those areas that do not comply with the
24 Accessibility Standards in effect at the time of the expert review.

26 Accessibility Expert, the Joint Accessibility Expert shall perform a full assessment and draft a

1 Standards. The written report shall detail all physical access barriers in the Jail and
2 recommendations for removal and/or remediation of such barriers, including the modification of
3 jail policies and procedures. The remediation recommendation shall meet the Accessibility
4 Standards in effect at the time of the assessment. For purposes of both evaluation and subsequent
5 remediation, the Joint Accessibility Expert shall be authorized to interact with and interview staff
6 for the County, CFMG, or CFMG's successor, and any inmate. The Joint Accessibility Expert
7 may consider the nature and services of the programs offered at the Jail.

- 14 • The County will provide reasonable accommodations and modifications to Class
15 Members to enable them to work as required by law.

16 **6.2.5.** That Settlement Class Members will be escorted, to the extent
