03/02/2012	<u>706</u>	MINUTE entry before Honorable Matthew F. Kennelly: For the reasons set forth in the Joint Status Report filed on 2/10/12 (docket no. 704), the Court: (1) denies the requests for relief made by Alfonzo Caldwell, Philip Deavila, Trent Forney, and Dwayne Hill; (2) terminates as moot the requests by Andre Stallings and Rarl Johnson; (3) denies the request of Michael Rouse to submit a late claim; (4) denies the request for relief made by Marlon Robertson; (5) terminates as moot the inquiry of Curtis Gordon; (6) denies as premature the requests of Ricardo Velasco, Eduardo Rodriguez, and Jeryme Morgan for information about a possible additional payment from insurance proceeds; (7) directs counsel to include an update regarding the request of Reginald Brewer in their next status report; and (8) denies the request of Odunba Adebayo to submit a late claim. Class counsel is directed to mail a copy of this order to each of the above-named claimants along with a copy of the 2/10/12 status report. In addition, the Court agrees with the parties' proposal that the final void date on all checks issued moving forward should be 4/16/12. (mk) (Entered: 03/02/2012)

Jackson, Andre Devon Gray, Frederick Pigram, and Emerson Tucker. Class counsel is directed to promptly pick up these materials from chambers (Room 2188), and the parties are directed to file a joint status report regarding these letters and requests by no later than 3/16/12. 03/19/2012	<u>720</u>	MINUTE entry before Honorable Matthew F. Kennelly: Plaintiffs' motion for clarification regarding Allory Smith (dkt. no. 710) is granted. The Court's order of 3/2/12 (dkt. no. 707) was erroneous and did not comport with the discussion at the 2/13/12 status hearing. The order is therefore vacated. If, by no later than 4/9/12, Mr. Smith submits proof of mailing of his claim form, then his claim is to be paid. Plaintiffs' counsel are directed to promptly transmit a copy of this order to Mr. Smith and are to provide a further status report regarding his claim by no later than 4/20/12. (mk) (Entered: 03/19/2012)
03/19/2012	<u>721</u>	MINUTE entry before Honorable Matthew F. Kennelly: MINUTE entry before Honorable Matthew F. Kennelly: The Court has reviewed the joint status report filed on 3/15/12 (dkt. no. 719). The Court again finds that notice of the settlement and the requirements for making a claim under the settlement was provided in the best means practical under the circumstances. See Fed. R. Civ. P. 23(c)(2)(B). The Court makes the following rulings regarding the claims addressed in the report: 1) If, by no later than 4/16/12, Brian Lewis provides the claims administrator with proof of timely mailing of his claim form, the administrator is to pay his claim. If Mr. Lewis does not do so, his request for payment is denied. 2) The Court denies John Preston Jenkins' motion to demand judgment (dkt. no. 716) for the reasons stated in the joint status report, in particular that he did not submit a timely claim. 3) The Court denies Delano Horn's request for payment because he failed to advise class counsel of his change of address and failed to submit a timely claim. 4) Regarding the claim of Clarence Hebron, a further status report is to be filed by 4/20/12. 5) The Court denies Jeffrey Starks' request for payment on the ground that he failed to make a timely showing that he was eligible for payment. 6) The Court approves class counsel's determination to make payments to Samuel Jackson and

		Frederick Pigram on the ground that they are class members and made timely claims, and counsel's determination to reissue payment to Emerson Tucker on the same grounds. 7) The Court approves class counsel's proposals with regard to Darnell Grigsby and Reginald Brewer, specifically, that each of them is to submit a properly completed fraudulent activity report to the claims administrator. Unless Mr. Grigsby and Mr. Brewer submit such a report to the claim administrator by no later than 4/17/12, their claims will be denied. A joint status report regarding their claims is to be filed by 4/20/12. Finally, class counsel is directed to promptly mail a copy of this order to each claimant addressed in the order. (mk) (Entered: 03/19/2012)
03/19/2012	<u>722</u>	MINUTE entry before Honorable Matthew F. Kennelly: The Court denies Anthony Roscoe's motion to appeal in forma pauperis (#713) because his appeal would be frivolous. As stated in the status report filed by counsel for the parties on 12/12/11 (#696), Mr. Roscoe was aware of the pendency of the lawsuit but did not submit a timely claim. This was the result of his own defaults, including his providing of incorrect information to either the Cook County Jail when arrested or to the IDOC, and his later failure to advise class counsel of his prisoner transfer in 2010. The Clerk is directed to transmit copies of this order to the Court of Appeals and to Anthony Roscoe, #B-66981, Lawrence Correctional Center, 10930 Lawrence Rd. Summer, IL 62466. Class counsel is directed to promptly file a copy of Mr. Roscoe's letter that was addressed in the 12/12/11 status report. (gcy, ) (Entered: 03/20/2012)
03/19/2012	<u>723</u>	MINUTE entry before Honorable Matthew F. Kennelly: The Clerk denies the motion to intervene filed by Darnell Grigsby a/k/a Darnell Moore. Though his motion is not entirely clear, Mr. Grigsby appears to contest the propriety of adequacy of the previously-approved settlement. The motion is woefully untimely and is denied [dkt. no. 711]. The Clerk is directed to mail a copy of this order to Darnell Grigsby, No. B-34441, P.O. 999, Pinckneyville, IL 62274. Mailed notices (gcy, ) NOTE: this is a corrected version of the order originally entered on this motion. (Entered: 03/20/2012)

09/26/2012	<u>766</u>	MINUTE entry before Honorable Matthew F. Kennelly: It has come to the Court's attention that counsel did, in fact, file a status report addressing the remaining claimants who have submitted objections and inquiries (dkt. no. 749), so the Court's previous order is vacated to the extent it required a further status report on these claimants. The status report in question, however, refers to the claimant who submitted the document filed as docket no. 740 is unknown. That is because, for unknown reasons, the Clerk failed to image the envelope in which the claimant's letter was received. The claimant's name is Jeffrey Starks, and the envelope reflects that he is (or was) an inmate at Menard Correctional Center with IDOC number K60812. Counsel are directed to file a further status report regarding that claimant only. (mk) (Entered: 09/26/2012)

12/31/2012	<u>778</u>	MINUTE entry before Honorable Matthew F. Kennelly: Class counsel states in a status report filed on 10/5/12 [# 767] that an error was made regarding claimant Jeffrey Starks and that a settlement check has been sent to him. The Court has heard nothing further from Mr. Starks, which indicates that he received the check. There is nothing more for the Court to decide regarding Mr. Starks. Class counsel is directed to send Mr. Starks a copy of this order. (mk) (Entered: 12/31/2012)
12/31/2012	<u>779</u>	ORDER signed by the Honorable Matthew F. 12/31/2012	<u>780</u>	MINUTE entry before Honorable Matthew F. Kennelly: The Court previously dealt with Brian Lewis's request for payment in an order dated 3/19/12 [# 721], giving Mr. Lewis until 4/16/12 to provide proof of timely mailing of his claim form. The Court directed class counsel to send a copy of that order to Mr. Lewis. Mr. Lewis says he did not receive it and was not aware of it until another inmate showed it to him. The Court finds that Mr. Lewis has provided a sufficient basis for his belated response to the 3/19/12 order and also accepts Mr. Lewis's statement regarding his submission of a timely form. His claim is to be paid in full, within 14 days of this order. Class counsel are directed to send Mr. Lewis a copy of this order promptly and are to file written verification of having done so by no later than 1/4/13. (mk) (Entered: 12/31/2012)
