12/23/2013	<u>270</u>	MINUTE entry before the Honorable John Z. Lee: Defendants have filed a motion to decertify the class that previously was certified by Judge Kennelly on October 24, 2008. Having reviewed the briefs and voluminous exhibits submitted by the parties, the Court orders the parties to submit supplemental briefs with respect to the question of whether a class action is superior to other available methods for fairly and effectively adjudicating the controversy. See Fed. R. Civ. P. 23(b)(3). Specifically, Plaintiffs are directed to address the following issues with as much particularity as possible. (1) Given the class as it is currently comprised, what is Plaintiffs' proposal as to how this action should be tried? (2) What precise issues will be tried on a class-wide basis? (3) Assuming that Plaintiffs prevail as to these class-wide issues, what issues will remain for individualized determinations, and how and by whom would those individualized determinations be made? These issues should be discussed with as much specificity as possible. Because Plaintiffs bear the burden to demonstrate the propriety of class certification, Plaintiffs are to file the opening supplemental brief, which is limited to ten pages and due by January 15, 2014. Defendants should file their response supplemental brief limited to ten pages by January 27, 2014. Plaintiffs may file a reply supplemental brief limited to five page by January 31, 2014. 05/30/2019	<u>337</u>	MINUTE entry before the Honorable John Z. Cook County's motion <u>193</u> is granted with regard to its direct liability, but is denied to the extent that Cook County is an indispensable party that must fund any judgment against the Sheriff. The Sheriff's motion is granted as to (1) claims asserting constitutional violations occurring prior to July 11, 2008; and (2) claims based on medical conditions other than asthma, diabetes, high cholesterol, HIV infection, hypertension, opiate withdrawal, seizure disorder, anxiety disorder, bipolar disorder, depression, and schizophrenia. 07/10/2019	<u>348</u>	MINUTE entry before the Honorable Maria Valdez: This case has been referred to Judge Valdez to conduct a settlement conference. The parties are ordered to appear for status on July 23, 2019 at 10:00 a.m. in Courtroom 1041 to set a settlement conference date. The parties are further directed to consult with their respective clients before the status date to determine the dates of unavailability for a settlement conference that may be set within the next three to four months. Because of the volume of settlement conferences conducted by Judge Valdez, once a settlement conference date has been agreed upon, no continuance will be granted without a motion showing extreme hardship. Mailed notice (lp,) (Entered: 07/10/2019)

07/23/2019	<u>350</u>	MINUTE entry before the Honorable Maria Valdez: Magistrate Judge status hearing held on 7/23/19. The parties were offered the following dates for settlement conference: 8/13, 8/27, 9/5, and 9/19 at 9:30 a.m. Status hearing is set for 8/6/19 at 10:00 a.m. Parties will advise the Court at the next hearing which settlement conference date will be selected. Parties are encouraged to continue engaging in meaningful settlement discussions. Mailed notice (lp,) (Entered: 07/23/2019)
07/23/2019	<u>351</u>	MINUTE entry before the Honorable Maria Valdez: Parties have agreed on a date, therefore, this case is set to 9/5/19 at 09:30 a.m. with Recalled Magistrate Judge Andrew Rodovich, in Chambers 1046 for settlement conference. Upon arrival, parties are to contact Judge Valdez's chambers for further instructions. Judge Valdez requires full compliance with the Court's Standing Order on Settlement Conference found on Judge Valdez's website available at www.ilnd.uscourts.gov, or the parties can contact courtroom deputy, Lisa Provine, at (312)408-5135 for a copy. Failure to comply with the provisions of the Court's Standing Order may result in the unilateral cancellation of the settlement conference by the Court. Absent leave from the Court, cancellation will result if the Plaintiff fails to submit to chambers copies of the settlement letters 21 days prior to the settlement conference. THE FACT THAT A SETTLEMENT CONFERENCE HAS BEEN SCHEDULED, DOES NOT MEAN THAT THE PARTIES SHOULD STOP ENGAGING IN SETTLEMENT DISCUSSIONS AMONG THEMSELVES. The Court finds that too often the parties put settlement talks on hold until the settlement conference with the Magistrate Judge. The Court expects that many cases can be resolved among the parties without the need for court-supervised mediation. If your informal discussions are unsuccessful, the Court will conduct the conference but will expect the parties to apprise her of the status of their ongoing settlement discussions. Because of the volume of settlement conferences conducted by Judge Valdez, once a settlement conference date has been agreed upon, no continuance will be granted without a motion showing extreme hardship. Class representative Michael Parish has responded, stating that, although the claims forms were sent to his last known address, they will be re-sent to Fernandez's current address. In addition, Parish's response informs Fernandez that the settlement agreement allows class members to submit claims within the nine-month period following the original due date of May 9, 2020, or, in other words, by February 9, 2021. 05/26/2020	<u>414</u>	ORDER ORDER Fourth Amended General Order 20-0012 IN RE: CORONAVIRUS COVID-19 PUBLIC EMERGENCY Signed by the Chief Judge Rebecca R. Pallmeyer on May 26, 2020. This Order does not extend or modify any deadlines set in civil cases. For non-emergency motions, no motion may be noticed for presentment on a date earlier than July 15, 2020. See attached Order. Signed by the Honorable Rebecca R. Pallmeyer on 5/26/2020: Mailed notice. (docket1,) (Entered: 05/26/2020)
05/26/2020	<u>415</u>	MINUTE entry before the Honorable John Z. Lee: On December 17, 2019, the Court scheduled the final approval hearing regarding the proposed class action settlement and petition for attorneys' fees for Friday, June 5, 2020, at 11:00 a.m. <u>388</u> Since that date, the COVID-19 pandemic arrived in this country, and we all have been dealing with the various restrictions that it has placed on our daily lives. The courthouse also has been closed since mid-March to minimize the spread of the virus. That said, the Court recognizes that notice of the final approval hearing already has been sent to the approximately 250,000 putative class members. Moreover, while a number of class members have submitted questions about the proposed settlement, there are very few, if any, objections, and no class member has requested an opportunity to voice an objection at the final approval hearing. Therefore, the Court finds that the interests of the putative class and the interests of justice will be furthered by proceeding with the final approval hearing as scheduled. However, to minimize the risks of spreading the coronavirus, the Court finds it necessary to conduct the final approval hearing via telephone conference. Accordingly, the final approval hearing will be conducted via telephone conference on Friday, June 5, 2020, at 11:00 a.m. The call-in number is 888-273-3658 and the access code is 1637578. Any putative class members, members

		<p>of the public, and interested media also may call into this hearing. All participants should review the Court's standing order regarding telephone conferences that is on Judge Lee's website, which can be found at: https://www.ilnd.uscourts.gov/judge-info.aspx?4Qf5zc8loCI5U7rfMP9DHw== All persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in court-imposed sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court. 06/05/2020	<u>420</u>	MINUTE entry before the Honorable John Z. Lee: Final Approval Hearing held.
