01/15/2010	<u>216</u>	MINUTE entry before Honorable Elaine E. Bucklo: Plaintiff's motion (203)to reassign the case of David Eldefonso vs Dart, 9 C 6682 to this court as a case related to the present case under Local Rule 40.4 is granted. The present case and Eldefonso certainly involve the same issues of law, the facts overlap, and indeed Eldefonso is a member of the plaintiff class in Phipps. While he does raise a second issue and is seeking injunctive relief, it really makes no sense to have two judges rule on essentially identical legal and nearly identical factual issues. Some additional discovery may need to be done but it does not appear significant. All of the requirements of Local Rule 40.4 (b) are met in this case. The parties are given 60 days to complete whatever additional discovery is needed with regard to the Eldefonso complaint. Motion to join <u>210</u> is granted. Motion to file instanter <u>215</u> is also granted. Mailed notice (mpj, ) (Entered: 01/15/2010)

02/18/2010	<u>236</u>	MINUTE entry before Honorable Jeffrey Cole:Motion hearing held. Plaintiffs' Motion to Compel Compliance with Order of January 15, 2010 <u>232</u> is granted subject to the qualifications discussed in court today and the specific qualification that matters relating to paragraph 8 of the 30(b)(6) motion, which is attached as an

		<p>exhibit to the motion to compel, are denied without prejudice. Mr. Morrissey and Mr. Flaxman have represented today that they will not substitute Mr. Eldefonso for Mr. Phipps as the class representative in the Phipps litigation. Discovery is closed in the Phipps case. The discovery allowed today, although useable by agreement of the parties in the Phipps case – if that evidence is relevant and otherwise admissible – is being taken in the Eldefonso case. The Sheriff is given leave to depose Mr. Eldefonso, who is currently in custody at the Cook County Jail. Settlement conference is set for 3/5/2010 at 12:00 noon. All parties are directed to refer to my "Instructions and Procedures for Settlement Conferences," available at "www.ilnd.uscourts.gov" and to comply with its directives before appearing at the settlement conference. Non-compliance with the 4-day Rule makes it difficult and often impossible for the conference to proceed effectively. Failure to comply with the 4-day Rule may necessitate cancellation of the conference. Parties cannot unilaterally agree to cancel and scheduled settlement conference. Permission not to proceed must be obtained from the court pursuant to written motion, and any party wishing to vary any of the procedures set forth in the standing order must make an appropriate request by written motion prior to the exchange of settlement letters described above. 03/17/2010	<u>250</u>	MINUTE entry before Honorable Jeffrey Cole:Motion hearing held. Response to Defendants', Cook County, Illinois and Sheriff of Cook County, to bar Plaintiffs' March 14, 2010 Fed. R. Civ. P. 26 Disclosures <u>242</u> shall be due 3/24/2010; Reply shall be due 3/29/2010; Status hearing on the motion is set for 4/1/2010 at 8:00 a.m. There was an extensive discussion about the motion and the circumstances surrounding the untimely disclosures. I suggested to Mr. Flaxman that his response brief should develop fully the facts that justify the late disclosures and that, where appropriate, as in the case with Mr. Andersen, his response brief should contain appropriate and comprehensive affidavits or declarations explaining the circumstances discussed in court today. It has been agreed that there will be no arguments raised under Rule 901, Federal Rules of Evidence, to the photographs taken by Mr. Anderson. The photographs are to be turned over immediately to the defendants. The parties dispute whether the Phipps case is to be tried separately or consolidated with another case in which Mr. Flaxman and Mr. Morrissey are counsel. Mr. Morrissey observed that perhaps "mature reflection" may make unnecessary the calling of the four possible witnesses discussed in court today and that if that occurred, he would promptly notify the court and counsel. In that even, the motion to bar would be moot. Mailed notice(ea, ) (Entered: 03/19/2010)
