Specifically: (1) Plaintiffs' request to extend discovery so plaintiffs can obtain dental (and medical) records relating to the 276 grievances filed from March 14, 2013, through October 24, 2013, is denied; (2) Plaintiffs' request to extend the discovery deadline to allow

12/14/2017	<u>538</u>	ORDER: Magistrate Judge Status hearing held. The Court sets the following pretrial schedule: Plaintiffs' initial pretrial order shall be provided to defendants by 1/29/18. Defendants shall respond by 2/13/18. Parties are to meet and confer as to any disputed issues by 2/15/18 in an attempt to resolve those disputes. Plaintiffs are responsible for filing the final proposed pretrial order by 2/16/18. Motions in limine shall be filed by 2/13/18. Responses due 2/27/18. Motion hearing set for 3/8/18 at 12:00 p.m. Evidentiary depositions of two class members who plaintiffs wish to present at trial, but who are currently incarcerated, must be completed by 2/2/18. By 2/16/18, Plaintiffs must present to defendants portions of the depositions they intend to offer

		<p>into evidence. Defendants' objections to proposed deposition evidence as well as requested inclusion of testimony (see e.g. Fed. R. Evid. 106) shall be filed by 2/23/18. Plaintiffs' reply, including responses to defendants' objections, and objections to defendants' requested inclusions, shall be filed by 3/1/18. Ruling on deposition testimony to be included in evidence set for 3/8/18 at 12:00 p.m. By 3/2/18, Plaintiffs shall have secured a vendor to edit the video depositions with the understanding that the edited testimony must be ready for trial on 4/30/18. Defendants shall depose Plaintiffs' expert(s) by 2/2/18. Plaintiffs shall depose Defendants' expert(s) by 2/16/18. Any Daubert motions shall be filed by 2/23/18. Responses shall be filed by 3/5/18. Motion hearing set for 3/8/18 at 12:00 p.m. By 1/12/18, the County shall update its Rule 26 disclosures to include particularly any opinion evidence offered by current County employees as to constitutional standards they consider applicable and the basis for that opinion. The Court notes that during the status hearing there was substantive discussions as to whether a County employee who would testify as to the dental services provided at Cook County Jail during the relevant time period satisfied constitutional standards was an opinion witness, and whether such anticipated testimony was subject to pre-trial disclosure. The Court notes that Fed. R. Evid. 701 defines the scope of opinion testimony to which a non-expert witness may testify. The Court further notes that Fed. R. Civ. P. 26(a)(2) controls disclosure of witnesses who would testify pursuant to Fed. R. Evid. 702, 703, and 705. This rule does not distinguish between retained and non-retained experts. Thus, to the extent the County is planning on presenting a current employee to provide opinion testimony at trial (that exceeds opinion testimony allowed by Rule 701), such testimony should be disclosed pursuant to the requirements of Rule 26(a)(2). The Court is not making a substantive ruling as no issue was presented to the Court for ruling. Rather, the Court is clarifying its view on the applicable controlling law in this area. Plaintiffs shall update their Rule 26 disclosures by 1/12/18 as well. Plaintiffs' motion to bifurcate shall be filed with the District Court by 12/19/18. Response shall be filed by 1/19/18. Reply shall be filed by 1/29/18. Status hearing set for 1/17/18 at 10:00 a.m. Signed by the Honorable M. David Weisman on 12/14/2017. Mailed notice (ao,) (Entered: 12/15/2017)</p>

Mailed notice (ao,) (Entered: 02/05/2018)
02/08/2018	<u>555</u>	MINUTE entry before the Honorable M. David Weisman: Magistrate Judge Status hearing held. At the parties' joint request, status hearing converted to further settlement conference to address lingering issues related to proposed settlement terms. Proposed settlement has been reached between the parties, subject to the district court's approval. After consulting with the district court, the following dates are now controlling: Preliminary approval hearing is set for Tuesday, May 1, 2018 at 10:30 a.m. before Judge Lefkow. Fairness hearing is set for Thursday, August 16, 2018 at 10:30 a.m. before Judge Lefkow. Status hearing before this Court is set for Thursday, February 21, 2018 at 10:00 a.m., at which time the parties should be prepared to discuss the status of current address availability / accessibility through the Sheriff's data management system for potential class members. All pre-trial dates are stricken. Mailed notice (ao,) (Entered: 02/12/2018)
02/21/2018	<u>556</u>	ORDER: Magistrate Judge Status hearing held. For the reasons stated on the record, the Court issues a rule to show cause against the Cook County Sheriff's Department for its failure to present "the status of current address availability/accessibility through the Sheriff's data management system for potential class members." (See Dkt. <u>555</u> .) As was made clear on the record, the purpose of today's hearing was to discuss the means and ability to implement the parties' settlement agreement. Counsel for the Sheriff's Department raised concerns about this process at the last hearing. Sheriff's counsel was instructed to be prepared to discuss these concerns at today's status hearing. Id. Instead, the Sheriff's lead counsel sent a junior associate, who, while extremely professional and respectful, was not prepared to address the fundamental issues raised by Sheriff's counsel at the last status hearing. From the Courts perspective, appearing

		<p>counsel's inability to address these issues was the result of lead counsel's failure to dutifully follow-up on the issues at hand. This is unacceptable to the Court. This case is approaching a ten-year anniversary mark. The parties and the Court have invested significant resources in litigating, and ultimately reaching a settlement in this case, subject to the district court's required review and approval of its terms. The Sheriff's Department, and more particularly its counsel, cannot claim that there may be insurmountable hurdles in effectuating the settlement terms, and then do little or nothing to determine whether these "insurmountable hurdles" are real or imagined. For these reasons, the Court has issued a Rule to Show Cause. The Court also orders (1) the Director of the IT department at the Sheriff's Department, (2) a representative from the Sheriff's Department's General Counsel's office, and (3) the person most knowledgeable as to the retention since 1/1/07 of electronic records for detainees through the Jail Management System or similar database, be present at the next hearing. Rule to show cause/status hearing set for 2/23/18 at 12:00 p.m. The Court notes that if the Director of the IT department is unable to appear, Sheriff's counsel may email the Courtroom Deputy, Alyssia Owens, at Alyssia_Owens@ilnd.uscourts.gov (copying all counsel) with an explanation as to why he/she is unavailable and the Court will entertain waiving his/her presence. Despite the circumstances outlined in this order, the Court looks forward to working with all counsel in continuing to move this case forward to a full resolution, and thanks counsel for their continued diligence in this matter. Signed by the Honorable M. David Weisman on 2/21/2018. Mailed notice (ao,) (Entered: 02/21/2018)</p>
02/22/2018	<u>557</u>	<p>MINUTE entry before the Honorable M. David Weisman: The Court has received a communication from counsel for the Cook County Sheriff's Department indicating that the requested information at issue in the Court's most recent order is obtainable, and will be provided to class counsel forthwith. The Court sincerely appreciates the response from the Cook County Sheriff. In order to ensure that this matter continues to move forward towards implementation of the agreed terms of settlement (subject to the district court's approval), the status hearing set for 2/23/18 will remain. The Court, sua sponte, modifies its order requiring the presence of certain personnel from the Sheriff's Office for this status hearing. Based on the representations made to the Court, the director of the IT department for the Sheriff's Department, a representative from the General Counsel's Office of the Sheriff's Department, and an individual most knowledgeable regarding maintenance of electronic records during the relevant time frame need not appear. 04/30/2018	<u>567</u>	MINUTE entry before the Honorable M. David Weisman: Magistrate Judge Status hearing held. Parties reported that they have reached agreement on all necessary forms for class notice and related issues. With agreement of the defendants, the Court met with plaintiffs' counsel following the status hearing to discuss issues tangentially connected to settlement, as these issues relate to plaintiffs' counsel's compensation. Plaintiffs' counsel requested a further meeting to discuss these issues, which the Court will entertain on a one-time basis if requested. As reflected on the record, and as the Court finds following the meeting with plaintiffs' counsel, the issues that remain unresolved are tangentially connected to this matter, and these issues do not alter the conclusion that all material terms relating to settlement have been agreed upon, subject to the district court's final approval. All matters relating to the referral of this case having been resolved, this matter is returned to the District Judge. Referral terminated. Mailed notice (ao,) (Entered: 04/30/2018)

05/04/2018	<u>572</u>	ORDER Granting Preliminary Approval of Class Action Settlement Signed by the Honorable Joan H. Lefkow on 5/4/2018: This court grants preliminary approval to the settlement and finds that the terms of the settlement, as embodied in the Class Settlement Agreement, are sufficiently fair, reasonable, and adequate to allow dissemination of the Notice of the Hearing on Settlement of Class Action to the Class. This court authorizes the parties to provide notice, claim forms, and opt-out forms by first class mail in the form attached to the Motion as Exhibits 2 (as corrected in ECF No. 570), 3 and 4.
