Re: United States v. County of Grenada, Mississippi, et al.; United States v. City of Tupelo, Mississippi, et al.; United States v. City of Corinth, et al.

Dear Mr. Moreton:

In accordance with our conversation, I am enclosing an original and four copies of the Complaints, Certificates, and Consent Orders in the above-referenced matters involving our investigations into conditions at the Grenada County Jail, Tupelo City Jail, and Corinth City Jail.

Your signature is needed on each of the Consent Decrees and Complaints prior to filing with the Court on November 15, 1994.

As discussed, the parties to each of these Consent Decrees seek to have them entered as an order of the Court. Accordingly, the last page of each Decree provides space for the signature and entry of the Order by the District Court Judge. Please have a copy of the filed Complaints and Consent Orders date stamped and returned to us in the enclosed envelope. Kindly serve the Complaint and Consent Order on opposing counsel in the pre-addressed envelopes enclosed.

As soon as the papers are filed, please contact me at (202) 514-6264 so that we can make final arrangements as to the press release. A copy of that press release will be telefaxed to your office.
