

U.S.C., §§794e, et. seq., and all relevant implementing regulations. Accordingly, with the agreement of the parties, and pending further order of the Court, it is hereby ordered that:

1. The FCJDC and its personnel will permit DRMS and/or its contractor (the Southern Poverty Law Center) access for monitoring and investigative purposes consistent with 42 C.F.R. Sec. 51.42(c)(2) and 45 C.F.R. Sec. 1386.22(g). Such monitoring and investigative activities shall be conducted so as to minimize interference with FCJDC programs, respect residents' privacy interests, and honor a resident's right to terminate an interview. For purposes of monitoring, and pursuant to 45 C.F.R. Sec. 1386.22(g), DRMS and/or its contractor shall have access to LDJDC at reasonable times, which at a minimum shall include normal working hours and visiting hours, for the purpose of education and monitoring. DRMS shall make every reasonable effort to provide 48 hours advance written notice to the FCJDC Administrator of any requested visit to the FCJDC. In response and within 24 hours, the FCJDC will provide DRMS and/or its contractor a list of detained juveniles who are believed to be either developmentally disabled within the meaning of the DD Act, or have a mental illness within the meaning of the PAIMI Act, or disabled with the meaning of the PAIR Act (collectively, "eligible residents"). The FCJDC and its personnel will allow DRMS and/or its contractor (the Southern Poverty Law Center) to conduct confidential visits with any juveniles included on such list. On or before June 1, 2011 this list will be generated by a counselor who will be hired pending the approval of the Forrest County Board of Supervisors. DRMS and/or its contractor will respect the right of any resident to terminate an interview at any time. When DRMS and/or its contractor have probable cause to believe that eligible residents are being subject to abuse and neglect, notice shall not be required before DRMS is provided access to residents, the facility and relevant records as set forth below. The parties acknowledge that DRMS is the final arbiter of probable cause and shall

not deny DRMS investigative access based on FCJDC's determination that probable cause is insufficient.

2. The FCJDC and its personnel shall allow DRMS and/or its contractor to conduct confidential visits with any eligible resident who would like to speak with DRMS and/or its contractor. The FCJDC and its personnel will further allow DRMS to confidentially meet with any resident if DRMS has probable cause to believe that the resident has a eligible disability and is therefore eligible for DRMS services.

3. Consistent with 42 C.F.R. Sec. 51.42(b) and 45 C.F.R. Sec. 1386.22(f) and the prerequisites therein, the FCJDC and its personnel will allow DRMS and/or its contractor to confidentially interview any eligible resident and the opportunity to interview any resident or staff member who may be reasonably believed to have knowledge of alleged abuse, or neglect of any eligible resident.

4. The FCJDC and its personnel shall allow any client of DRMS or its contractor, or any juveniles who are either developmentally disabled within the meaning of the DD Act, or have a mental illness within the meaning of the PAIMI Act, or have a disability within the meaning of the PAIR Act to contact DRMS and/or its contractor through confidential phone calls and letters, and allow DRMS or its contractor to prepare and place flyers in the FCJDC lobby area, and to prepare and post notices in the FCJDC visitation room, and in the residents' living areas that inform eligible residents of their rights to contact DRMS or its contractor in writing. Pursuant to 42 C.F.R. § 51.42 (c)(1), FCJDC and its personnel shall allow DRMS to inform residents about their potential rights to access DRMS services by making announcements in the living units about DRMS's services.

5. Consistent with 42 C.F.R. Sec. 51.41(b)(3) and 45 C.F.R. Sec. 1386.22(a)(3) and the prerequisites therein, the FCJDC and its personnel shall allow access to all relevant records (including written or in another medium such as electronic files, photographs, or video or audio tape records) pertaining to an eligible resident upon the request of DRMS when the DRMS believes there is probable cause to investigate a potential incident of abuse or neglect of an eligible resident. DRMS agrees to obtain a valid release from the facility resident and his/her legal guardian, conservator, or other legal representative before requesting that individual resident's medical, mental health, educational records in the custody or control of the FCJDC. However, releases shall not be required when DRMS requests facility records such as those enumerated in the first sentence of this paragraph, despite the fact that the record relevant to the eligible resident may also contain otherwise confidential information related to other individual facility residents.

6. DRMS shall make monthly reports to the Board Attorney for the Forrest County Board of Supervisors regarding its monitoring and investigating activities in FCJDC. The FCJDC and its personnel will allow any resident to meet confidentially with any DRMS attorney (or its contractor's attorney), who has a retainer agreement from the resident, or the resident's parent or legal guardian, authorizing the attorney to represent the resident regarding either all legal matters, or youth court matters, or conditions of confinement. Except as provided in paragraph 5 above (or otherwise provided by § 43-21-261, Miss. Code of 1972), attorneys for DRMS and/or its contractor may have access to their client's records in the custody or control of the FCJDC (if an eligible resident) only upon execution of a valid release from the facility resident/client and his/her legal guardian, conservator, or other legal representative.

7. The FCJDC and its personnel will allow DRMS and/or its contractor reasonable unaccompanied access to view and photograph all areas of the detention center that are used by residents or that might be accessible to them. The FCJDC and its personnel may refuse, limit or restrict access to a certain area or areas, or persons when it/they deem reasonably necessary for the safety and security of the residents, guests or employees at the FCJDC.

8. FCJDC and its personnel will ensure that no youth suffers retaliation or adverse treatment as a result of exercising his or her right to meet with DRMS or participate in a DRMS investigation.

9. In light of the forgoing, the Court determines that the Defendant's Cross Complaint for Declaratory Judgment is now moot and is therefore dismissed without prejudice and Plaintiff's Motion to Dismiss is now moot and dismissed without prejudice.

The court retains jurisdiction for the enforcement of this order
