16 Plaintiffs,

17 v.

18 **EDMUND G. BROWN JR., et al.,**

19 Defendants.

**DEFENDANTS' MONTHLY CENSUS  
 AND WAITLIST REPORTS FOR  
 INPATIENT MENTAL HEALTH CARE**

21 On October 13, 2015, the Court ordered Defendants California Department of Corrections  
 22 and Rehabilitation and Department of State Hospitals to begin filing, on a monthly basis, three  
 23 templates that capture data concerning patient census and waitlists for inpatient mental health  
 24 care. (ECF No. 5367.) The Court further ordered that the first set of completed templates be filed  
 25 in October 2015.

26 The first set of Defendants' templates includes the Psychiatric Inpatient Programs Census  
 27 Report and the Psychiatric Inpatient Program Referral/Waitlist for the Month of October 2015,  
 28

1 attached as Exhibits A and B, respectively. As indicated on the template for the Psychiatric  
2 Inpatient Programs Trends report, filed September 29, 2015 (ECF No. 5363), data collection for  
3 this report was revised beginning October to ensure accurate compliance with the terms of the  
4 August 21, 2015 order. As a result, the complete data required to populate the template is not yet  
5 available and Defendants are unable to file the Psychiatric Inpatient Program Trends chart.  
6 Similarly, the Psychiatric Inpatient Programs Census Report and the Psychiatric Inpatient  
7 Program Referral/Waitlist for the Month of October 2015 do not contain a complete set of the  
8 inpatient data for October 2015, given the way in which Defendants capture and report monthly  
9 data.

10 Historically, Defendants have reported monthly data to the Court and the Special Master  
11 thirty days after the reporting period ends. Defendants will collect and report the data concerning  
12 patient census and waitlists for inpatient mental health care in the same manner. Defendants did  
13 not intend to provide data retroactively (i.e., for a period preceding the entry of the order  
14 approving the templates) or to report partial data. While the templates filed herewith are not  
15 complete, Defendants are prepared to, and will, report additional October 2015 data concerning  
16 patient census and waitlists for inpatient mental health care in November 2015, when they file the  
17 bed utilization report for October 2015.

18 Dated: October 30, 2015

Respectfully submitted,

19 KAMALA D. HARRIS
