09/29/2010	<u>44</u>	ORDER signed by District Judge Richard A. Jones on 9/28/2010 ORDERING that the court GRANTS the <u>26</u> motion to compel, DENIES the <u>28</u> motion for sanctions, GRANTS the <u>43</u> motion for service, and makes additional orders to begin bringing this action to a resolution. Defendants shall provide complete responses to Mr. Mitchell's four sets of discovery requests, and shall do so no later than October 29. Defendants have waived any objections to those requests by failing to properly respond to Mr. Mitchell's <u>26</u> motion to compel. Defendants shall be responsible for arranging a telephone call with Mr. Mitchell during the week of November 8-12 to determine if he is satisfied with their discovery responses and whether further responses are necessary. The parties shall attempt to resolve any disputes. If Mr. Mitchell chooses, he may file an additional motion to compel no later than November 30 if he finds Defendants' responses unsatisfactory. The court emphasizes that it does not encourage Mr. Mitchell to file such a motion, and that this order in no way excuses Mr. Mitchell from his obligation to reasonably limit the scope of his discovery requests. After November 30, either in conjunction with an order addressing Mr. Mitchell's motion to compel or in a separate order if he does not file such a motion, the court will require the parties to meet and confer regarding a trial date and dates for pretrial submissions as described in paragraph 8 of the court's November 10, 2009 scheduling order. The court grants Mr. Mitchell's <u>43</u> unopposed motion for service of his amended complaint on Defendants M. Wright and F. Foulk. No later than October 11, Defendants' counsel shall file a notice with the court stating whether he will accept service of the amended complaint on behalf of those Defendants. If counsel declines to do so, the court will issue an order directing the United States Marshal to complete service. All future motions and oppositions to motions in this action shall be limited to 25 pages. All future reply briefs shall be 12 pages or fewer. (Duong, D) (Entered: 09/29/2010)
