ORDER

Upon consideration of Plaintiffs' Motion to Modify the Consent Decree's Officer Staffing Requirement, the memorandum in support thereof, the opposition thereto, and of the entire record in this case, it is

ORDERED that the motion is granted.

This Court finds, as documented in the Special Officer's Report of August 23, 1989, that the failure of the dormitory intercom system and the addition of Dormitory 26 is a material change of circumstances and has necessitated higher staffing levels to ensure proper security and supervision at the Lorton Central Facility. It is

ORDERED that defendants and the Special Officer shall meet and submit a new officer staffing plan to the Court within 30 days of the date of this Order. The plan shall provide for a level of security necessary to promote the principal purpose of the Consent Decree and shall address the concerns raised in the Special Officer's Report. It is

FURTHER ORDERED that if defendants and the Special Officer are not able to submit a mutually agreeable plan within 30 days, then the Consent Decree shall be modified upon the expiration of the 30-day period to require, within 60 days of the date of the modification, that defendants maintain 373 correctional officers available for duty at the Central Facility.

SO ORDERED.
