06/07/2016	4	ORDER REFERRING CASE TO MAGISTRATE JUDGE. Plaintiffs are prisoners in the custody of the Illinois Department of Corrections. Represented by counsel, they bring this civil rights action pursuant to 42 U.S.C. § 1983, on behalf of themselves and other similarly situated inmates, and have prepaid the \$400 filing fee. Each of the named Plaintiffs is or has been incarcerated at Lawrence or Menard Correctional Center under conditions they describe as "extreme isolation." They allege that the conditions of their confinement in administrative segregation violate their Eighth Amendment rights, and that they have suffered a deprivation of a liberty interest without due process, in violation of the Fourteenth Amendment. They seek class action certification, and declaratory and injunctive relief. Under 28 U.S.C. § 1915A, the Court is required to conduct a prompt threshold review of the complaint. Accepting Plaintiffs' allegations as true, the Court finds that Plaintiffs have articulated a colorable federal cause of action against Defendant for violations of their constitutional rights. Accordingly, pursuant to Local Rule 72.1(a)(2), this action is

		REFERRED to United States Magistrate Judge Stephen C. Williams for further pre-trial proceedings. Further, this entire matter shall be REFERRED to United States Magistrate Judge Williams for disposition, pursuant to Local Rule 72.2(b)(2) and 28 U.S.C. § 636(c), if all parties consent to such a referral. Counsel for Plaintiffs may initiate service without further delay. Defendant is ORDERED to timely file an appropriate responsive pleading to the complaint and shall not waive filing a reply pursuant to 42 U.S.C. § 1997e(g). Signed by Chief Judge Michael J. Reagan on 6/7/2016. (tjk)THIS TEXT ENTRY IS AN ORDER OF THE COURT. NO FURTHER DOCUMENTATION WILL BE MAILED. (Entered: 06/07/2016)

03/08/2019	<a href="#">158</a>	MOTION to Join Case by Charles Donelson. (jsm2) (Entered: 03/08/2019)
03/19/2019	159	ORDER DENYING <a href="#">158</a> Motion for Joinder. As best the Court can tell, Charles Donelson, an inmate in the custody of the Illinois Department of Corrections, is seeking to become a party to this case in some fashion. The only means of becoming a plaintiff in an already-existing action of which the Court is aware is joinder under Federal Rules of Civil Procedure 19 or 20, intervention under Rule 24, or amendment of a complaint pursuant to Rule 15. Donelson has not demonstrated that the requirements for either joinder or intervention are satisfied in this case. See Fed. R. Civ. P. 19, 20, 24. Similarly, the existing Plaintiffs have not moved to amend their complaint to join Donelson as a party Plaintiff. See Fed. R. Civ. P. 15. Therefore, Donelson's request to join this action is DENIED. However, Donelson may potentially become a member of this proposed class action at some point in the future provided the class is certified and Donelson falls within the class definition. The Clerk of Court is DIRECTED to mail a copy of this Order to Charles Donelson at Stateville Correctional Center. Signed by Magistrate Judge Mark A. Beatty on 3/19/2019. 04/16/2020	214	ORDER: This case is set for oral argument on July 16, 2020 at 1:00 p.m. in the East St. Louis Courthouse before the undersigned. The following parameters are established for the oral argument. Each party will be allotted sixty minutes of time to present their argument. Plaintiffs may utilize all 60 minutes in their opening argument or they may reserve time for rebuttal. However, no more than 15 minutes may be reserved by Plaintiffs for rebuttal. As the Court noted during the status conference, at this time the Court hopes to conduct this oral argument at the Courthouse. However, given the fluid situation surrounding the COVID-19 pandemic, a video conference oral argument may be required. The Court will carefully monitor the situation and keep the parties apprised if changes become necessary. If oral argument proceeds in-person, it will be conducted in a large

03/31/2021	228	ORDER GRANTING IN PART <a href="#">212</a> Motion for Judicial Notice. This motion strikes the Court as more of a sur-reply brief to Plaintiff's motion for class certification, but it will nonetheless be decided as a motion for judicial notice. The Court is aware of the <i>Rasho v. Walker</i> case in the Central District of Illinois, and will take judicial notice where appropriate of the <i>Rasho</i> court record, such as entries made on the docket and proceedings that occurred. Fed. R. Evid. 201(b) (permitting a court to take judicial notice of an adjudicative fact that is "not subject to reasonable dispute" because it "is generally known within the trial court's territorial jurisdiction" or "can be accurately and readily determined from sources whose accuracy cannot reasonably be questioned."). However, the conclusions to be drawn from the <i>Rasho</i> court record, i.e., whether the matter remains "ongoing" and overlaps with the issues in this case, are not proper subjects of judicial notice as they are in dispute (see Docs. 212, 215), and the Court will make these determinations in due course. Signed by Magistrate Judge Mark A. Beatty on 3/31/2021. (klh2)THIS TEXT ENTRY IS AN ORDER OF THE COURT. NO FURTHER DOCUMENTATION WILL BE MAILED. (Entered: 03/31/2021)

08/30/2021	237	Minute Entry for proceedings held before Magistrate Judge Mark A. Beatty: Status Conference held on 8/30/2021. Attorneys Kimball Anderson, Alan Mills, Reid Smith, Matthew DalSanto, and Nicole Schult appear on behalf of Plaintiffs. Attorneys Laura Bautista and Lisa Cook appear on behalf of Defendants. Parties discussed case status and progress of discovery. The parties inform the Court that written discovery is progressing in a cooperative fashion. Defendants are working on compiling data for every inmate in segregation within the IDOC's custody. However, there is a delay in receiving this information due to transfers within the facilities and the loss of key IDOC personnel. The parties indicate that there are also some technical issues with the ESI search terms that they are working through. They have also reached an agreement as to which additional depositions will be taken and they have all been scheduled, with the exception of IDOC Director Rob Jeffreys' deposition, but Defendants are working on finding a date that will work. The Court DIRECTS the parties to submit a status report by September 10, 2021 memorializing the agreements between the parties regarding the aforementioned discovery issues, including how these issues will impact the operative scheduling order.
