UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ANTI POLICE-TERROR PROJECT, et al.,
Plaintiffs,
v.
CITY OF OAKLAND, et al.,
Defendants.

Case No. 20-cv-03866-JCS

PRELIMINARY INJUNCTION

Re: Dkt. No. 13

United States District Court
Northern District of California

Having considered the arguments and evidence submitted by the parties in connection with the pending motion for a preliminary injunction, the parties’ agreement that a preliminary injunction may issue and their agreement as to some of the terms of that injunction, and for the reasons that will be set forth in a written order to follow the issuance of the instant Order, the Court enters the following preliminary injunction. This Order provides that certain crowd control tactics and munitions shall not be used except in very limited circumstances. This Order should not be read as permission to use these tactics and munitions. The Court in this Order does not conclude that the use of these tactics and munitions in the limited circumstances addressed below is either lawful or advisable. Indeed, uses of force in specific instances, even if such force is not expressly prohibited by this Order, may or may not be lawful depending upon the circumstances at the time and existing precedent. The Court does not address that question at this time. The Court only determines that use of these crowd control techniques outside of the limited circumstances listed herein will be prohibited during the pendency of this action. As recognized in the Oakland Police Department’s (“OPD”) Crowd Control Policy, it remains incumbent upon OPD to “uphold the constitutional rights of free speech and assembly while relying on the minimum use of physical force and authority required to address a crowd management or crowd control issue.”

1 It is hereby ORDERED that, unless and until this Order is modified or vacated by the
2 Court, Defendants City of Oakland (“the City”), OPD, Police Chief Susan E. Manheimer, and all
3 officers and employees of OPD, shall comply with the following restrictions during protests and
4 demonstrations in Oakland:

5 **I. TRAINING BULLETIN III-G**

6 Except as modified in this order, OPD shall adhere to Training Bulletin III-G, OPD Crowd
7 Control and Crowd Management (2013), attached as Exhibit A.

8 **II. BADGES**

9 Each OPD officer shall wear a badge, nameplate, or other device on the outside of his or
10 her uniform or on his or her helmet which bears the identification number or the name of
11 the officer, as required by Penal Code § 830.10.

12 **III. BODY CAMERAS**

13 All OPD officers shall utilize their Personal Digital Recording Device (“PDRD”) in
14 accordance with DGO I-15.1, Portable Video Management System. In addition, all OPD
15 officers deployed to demonstrations in Oakland shall have their PDRDs activated and
16 recording at all times while engaged in active policing activities. They shall also have their
17 PDRDs activated and recording when ordered to do so by a supervisor or commander.

18 **IV. POLICE VEHICLES AND MOTORCYCLES**

19 Motorcycles and police vehicles may not be used for crowd dispersal but may be used for
20 purposes of observation, visible deterrence, traffic control, transportation, and area control
21 during a crowd event.

22 **V. TACTICS AND LESS LETHAL MUNITIONS**

- 23 1. OPD officers are prohibited from using stinger grenades, wooden bullets, rubber or rubber-
24 coated bullets, pepper balls, or similar munitions.
- 25 2. Chemical agents (including orthochlorobenzalmalononitrile), flashbang grenades, and
26 foam-tipped projectiles shall be deployed only when (a) there is an imminent threat of
27 physical harm to a person or significant destruction of property; and (b) other techniques,
28 such as simultaneous arrests or police formations, have failed or are not reasonably likely

1 to mitigate the threat. The use of such munitions must be authorized by an OPD
2 Operations Commander or Incident Commander. None of these devices shall be deployed
3 on peaceful protestors or indiscriminately into a crowd. They may only be targeted at the
4 specific imminent threat justifying the deployment. Flash bang grenades and gas canisters
5 must be deployed at a safe distance from the crowd to minimize the risk that individuals
6 will be struck and injured by those devices. When chemical agents are used, only the
7 minimum amount of chemical agent necessary to obtain compliance may be used, in
8 accordance with OPD's Department General Order K-3, USE OF FORCE.

- 9 3. Except where an immediate risk to public safety or of significant property damage makes it
10 impossible to do so, before any of the devices listed in Section V(2) are deployed to
11 disburse a crowd, OPD must have made at least two announcements to the crowd asking
12 members of the crowd to voluntarily disperse and informing them that, if they do not
13 disperse, they will be subject to arrest. These announcements must be made using
14 adequate sound amplification equipment in a manner that will ensure that they are audible
15 to the crowd and must identify at least two means of escape/egress. OPD must also allow
16 the crowd sufficient time to disperse after making these announcements before deploying
17 any of the devices in Section V(2).

18 **VI. MUTUAL AID**

19 The OPD Incident Commander shall be responsible for ensuring that the requirements
20 listed below are met by mutual aid agencies providing assistance to OPD under a mutual
21 aid agreement, unless exigent circumstances prevent the fulfillment of these obligations:

- 22 i. The Incident Commander shall ensure that the mutual aid agency has been briefed and is
23 in agreement with OPD's Unity of Command structure under which only OPD
24 Commanders may authorize the use of less lethal munitions for crowd control and
25 dispersal;
- 26 ii. The Incident Commander shall ensure that the mutual aid agency has been briefed on
27 OPD's policy on prohibited weapons and force;
- 28 iii. The Incident Commander shall ensure that the officers of the mutual aid agency who

1 provide assistance to OPD do not bring or use any weapons or force prohibited under
2 OPD's policy;
3 iv. The Incident Commander shall ensure that the mutual aid agency has been provided a
4 copy of OPD's Crowd Control Policy and Use of Force policies;
5 v. The Incident Commander shall ensure that officers of the mutual aid agency who
6 provide assistance to OPD are not assigned to front-line positions or used for crowd
7 intervention, control or dispersal unless there is a public safety emergency;
8 vi. The Incident Commander shall ensure that the officers of the mutual aid agency who
9 provide assistance to OPD complete required reports prior to being released from duty.
10 Agencies should provide the following documents/reports when they are applicable: Use of
11 force report, arrest report, crime report, injury report, equipment damage report and list of
12 responding personnel.

13 These provisions do not prohibit an OPD or mutual aid officer from taking reasonable action or
14 using reasonable or necessary force as allowed by law against an individual in self-defense or in
15 defense of another person or officer. OPD personnel shall endeavor to assume front line positions
16 between mutual aid officers and demonstrators.

17 **VII. TRAINING**

18 By November 1, 2020, OPD shall conduct a special training session for OPD Incident
19 Commanders, Operations Commanders, and Tango Team members concerning Training Bulletin
20 III-G and this agreement. Plaintiffs' counsel may attend this training session. Further, Plaintiffs'
21 counsel may conduct part of the training subject to scope and time parameters agreed to in
22 advance by the parties.

23 **VIII. FACE MASKS AND GLOVES**

24 During the pendency of the state of emergency declared by either the President of the
25 United States, or the Governor of the State of California, due to the COVID-19 pandemic, all OPD
26 officers and employees deployed to demonstrations in Oakland must wear face masks and gloves
27 whenever they interact with members of the public.

IX. AFTER-ACTION REPORT

Subject to protective orders in this case, the Federal Rules of Civil Procedure, and the Federal Rules of Evidence, the City shall produce the After-Action Report on the subject protests — occurring from May 29, 2020 through June 1, 2020 —within 30 days of the entry of this Order.

X. ENFORCEMENT

If Plaintiffs contend that OPD violates Training Bulletin III-G or any of this Order’s provisions at a future protest or demonstration, Plaintiffs may request a hearing to seek relief, including a modification of this Order. Unless the parties agree to a different briefing schedule, Defendants will have seventy-two hours to respond to Plaintiffs’ request.

IT IS SO ORDERED.
