06/24/2020	848	MINUTE entry before the Honorable Robert M. Dow, Jr: A routine review of the docket in this case reveals that at the time of the entry of the consent decree 703 on January 31, 2019, the Court inadvertently failed to enter a final judgment in a separate document consistent with Federal Rule of Civil Procedure 58, as a consent decree is a final judgment. See <i>Rufo v. Inmates of Suffolk County Jail</i> , 502 U.S. 367, 391 (1992). Under Federal Rule of Civil Procedure 58(c)(2)(B), the judgment embodied in the consent decree was deemed to have been

		entered 150 days after the entry of the decree, a date that was approximately one year ago. See <i>Brown v. Fifth Third Bank</i> , 730 F.3d 698, 699 (7th Cir. 2013). In view of the foregoing, the Clerk is directed to terminate this case as an active case on the Court's civil docket, though the case plainly remains active in that the Court "retain[s] jurisdiction of this action for all purposes until such time as the Court finds that the City has achieved full and effective compliance with this Agreement and maintained such compliance for no less than two consecutive years [see 703, paragraph 693]. Participants, including media and members of the general public, should use the Court's toll-free call-in number, 877-336-1829, access code is 6963747. The Court will take attendance at the outset to determine which counsel of record and participants from the Office of the Independent Monitor are on the line and will be asked to keep their phones or computers on mute except when speaking to permit everyone to hear, especially the Court Reporter. All others on the phone should keep their phones or computers on mute at all times unless given advance permission by the Court to participate in the proceeding. 11/19/2020	910	MINUTE entry before the Honorable Robert M. Dow, Jr: Emergency COVID-19 motion to protect wellness of Chicago Police Officers 905 is taken under advisement. Prior to any briefing order, the Court will raise these issues itself and through the Independent Monitoring Team with the parties and CPD officials. Adhering to CDC recommendations and all state and local mandates concerning

		the protection of the public during the pandemic is critically important. Reports and videotapes showing a lack of adherence to these recommendations and mandates have been a subject of discussion over the past several months, with the Court and the Monitor urging all involved to come into and stay in compliance. If compliance cannot be gained through these informal discussions, the Court will order briefing on this motion. Emailed notice (cdh,) (Entered: 11/19/2020)

12/07/2020	915	MOTION by Intervenor Fraternal Order of Police Chicago Lodge No. 7 for temporary restraining order (Attachments: # 1 Notice of Filing)(D'Alba, Joel) (Entered: 12/07/2020)
12/07/2020	916	MINUTE entry before the Honorable Robert M. Dow, Jr: Emergency motion of FOP for leave to file motion for TRO and for limited intervention [914, 915] is taken under advisement. Response(s) are due no later than 12/10/2020. If a reply would be helpful to the Court, the Court will request one in a further minute order after reviewing the response brief(s). (The State may file a response if it wishes, but it is not required to do so.) In its response, the City is directed to include a declaration (or declarations) addressing (a) measures implemented by CPD since the November 16, 2020 effective date of the Mayor's most recent Stay-at-Home Advisory and the Court's November 19, 2020 order 910 to ensure that its training events comply with applicable state, local, and CDC guidelines and directives and (b) whether any of its trainings are out of compliance with these guidelines regarding meeting capacity and other pandemic-related measures. The Court notes that four of the five declarations attached to the FOP's motion are dated prior to and/or refer to events that took place prior to either of those dates: Officer Knight describes a training event that took

		<p>place on November 11; Officer Lewis refers to a training event on November 13; the declarations of FOP Financial Secretary Jakstavich and FOP Field Secretary Cantore are dated November 12. FOP President Catanzara's declaration does refer to an in-service training class on December 4 that he avers did not adhere to the applicable social distancing guidelines. As counsel for all parties are aware, the Court reiterated at the November 20 settlement conference the importance of adherence to the guidelines and its expectation that the City and CPD would take all required steps to ensure compliance. This should not require any court involvement, much less a court order. If compliance with the applicable health and safety guidelines requires extending any existing deadlines for the City/CPD to complete their training exercises, they should advise the Independent Monitor and make a request of the Court. Finally, the Court reiterates the importance of the moving party continuing to monitor and insist upon compliance with the guidelines by its own membership, which is a concern given the number of photographs and videos that the Court and the Independent Monitor have seen during the pandemic showing CPD patrol officers out of compliance with masking and social distancing requirements. Litigants who invoke equity "must come with clean hands" (Johnson v. Yellow Cab Transit Co., 321 U.S. 383, 387 (1944))and during this pandemic, with masked faces as well. In view of the briefing schedule set above, the telephonic hearing set for 1:30 pm on 12/7/2020 is stricken and no appearances are necessary at that time. 01/06/2021	923	MINUTE entry before the Honorable Robert M. Dow, Jr: Proposed Intervenor Fraternal Order of Police Chicago Lodge No. 7 has filed several motions and supporting materials in the past two months relating to the protection of its members during the COVID-19 pandemic: (1) Emergency COVID-19 motion to protect Chicago Police Officers' wellness, health, and safety pursuant to Local Rule 5.6, or, in the alternative, motion for limited intervention, instanter 905 , (2) Supplement to the prior motion 907 , (3) Emergency COVID-19 motion for leave to file a motion for a temporary restraining order to protect Chicago Police Officers' wellness, health, and safety pursuant to Local Rule 5.6, or, in the alternative, motion for limited intervention, instanter and status report 914 , and (4) motion for temporary restraining order 915 . In an order 916 dated December 7, 2020, the Court addressed certain aspects of the relief sought by the Proposed Intervenor and directed the City to file a written response, which the City filed [see 922]. In addition, after the entry of the Court's prior order, Proposed Intervenor filed a supplemental affidavit 920 attesting to its own efforts to ensure compliance of its members with applicable COVID protocols. Upon review of the City's response and the Proposed Intervenor's supplemental affidavit, the Court is satisfied that there is no cause either to grant a TRO or to grant the motion for limited intervention. The recently-filed documents [920 , 922] indicate that the City and the FOP are taking measures to appropriately protect rank and file police officers during the pandemic. In addition, the latest guidance from federal, state, and local health authorities indicates that police officers and other first responders will be within the early waves of individuals who will be offered the COVID-19 vaccine. For all of these reasons, the emergency motion to file a motion instanter 914 is granted; the emergency motion to protect or in the alternative for limited intervention 905 is denied; the motion for temporary restraining order 915 is denied.
