05/16/2020		FINAL NOTICE: <u>In preparation of the Court's conversion to NextGen, our Court's CM/ECF system will be unavailable from 12:00</u>

		<p><u>p.m. (Noon) on Friday, May 22, 2020, until 11:59 pm. Monday, May 25, 2020. Please plan accordingly.</u> Complete information, including a checklist of actions regarding the WDPA NexGen CM/ECF implementation, can be found here. Preparing for NextGen is a two-step process. The first step is to upgrade any legacy PACER accounts. The second step is to link that upgraded PACER account with your WDPA CM/ECF account after the Court goes live with NextGen. To link your account, you will need your current e-filing credentials from our Court. If your CM/ECF login contains any special characters (anything other than a letter or number), you will need to change it as logins with those characters will be unable to link to PACER accounts. No later than Thursday, May 21, 2020, you should log into both PACER and the current version of CM/ECF to review and record your current e-filing credentials for both, as you will need to know them in order to e-file after May 23, 2020. Please consult the Court's administrative order for additional information on deadlines and alternative filing options during this period. (Administrator,) (ADI) (Entered: 05/16/2020)</p>
