R. C. DOBSON, CLERK

By
Deputy Clerk

Mr. Robert C. Dobson
Clerk, United States District Court
Middle District of Alabama
Montgomery, Alabama

Dear Mr. Dobson:

In accordance with the request of the Court during the hearing on July 22, 1967, I am enclosing four copies of a tabulation prepared by the staff of the Department of Health, Education, and Welfare showing the present status and some of the past history of administrative proceedings in that Department to terminate federal financial assistance to Alabama school systems named in this Court's order of March 22, 1967.

In the tabulation, the entries under "Initial Decision" refer to the decision by the hearing examiner. The entries under "Approval by the Commissioner" refer to the date of the final decision by the Commissioner of Education directing that federal financial assistance be terminated.

In each case, the order of termination became effective under the statute 30 days after the date entered in the column entitled "Sent to Congress by Secretary."

Mr. Derrick Bell, Acting Director of the Office of Civil Rights, Department of Health, Education, and Welfare, yesterday sent a telegram to State Superintendent of Education Stone advising him that all Alabama school systems

named in the decree of this Court of March 22, 1967, were eligible for the receipt of federal financial assistance under the terms of this Court's order of July 14, 1967, as extended.

Sincerely,

BRIAN K. LANDSBERG
Acting Deputy Chief
Appeals and Research Section
